John H. Reagan
High School
Austin, Texas

Volume 3

John H. Reagan High School was created three years ago because of the increase in Austin's student enrollment. Since then, we at Reagan have looked forward to the future, focusing our endeavors around a theme of NOT WITHOUT HONOR. Our colors of blue and white unite us in sports, pep rallies, club activities, academic efforts, and school friendships. With our hearts and minds joined together, we, with honor following, will better our school for ourselves and for those who succeed us.

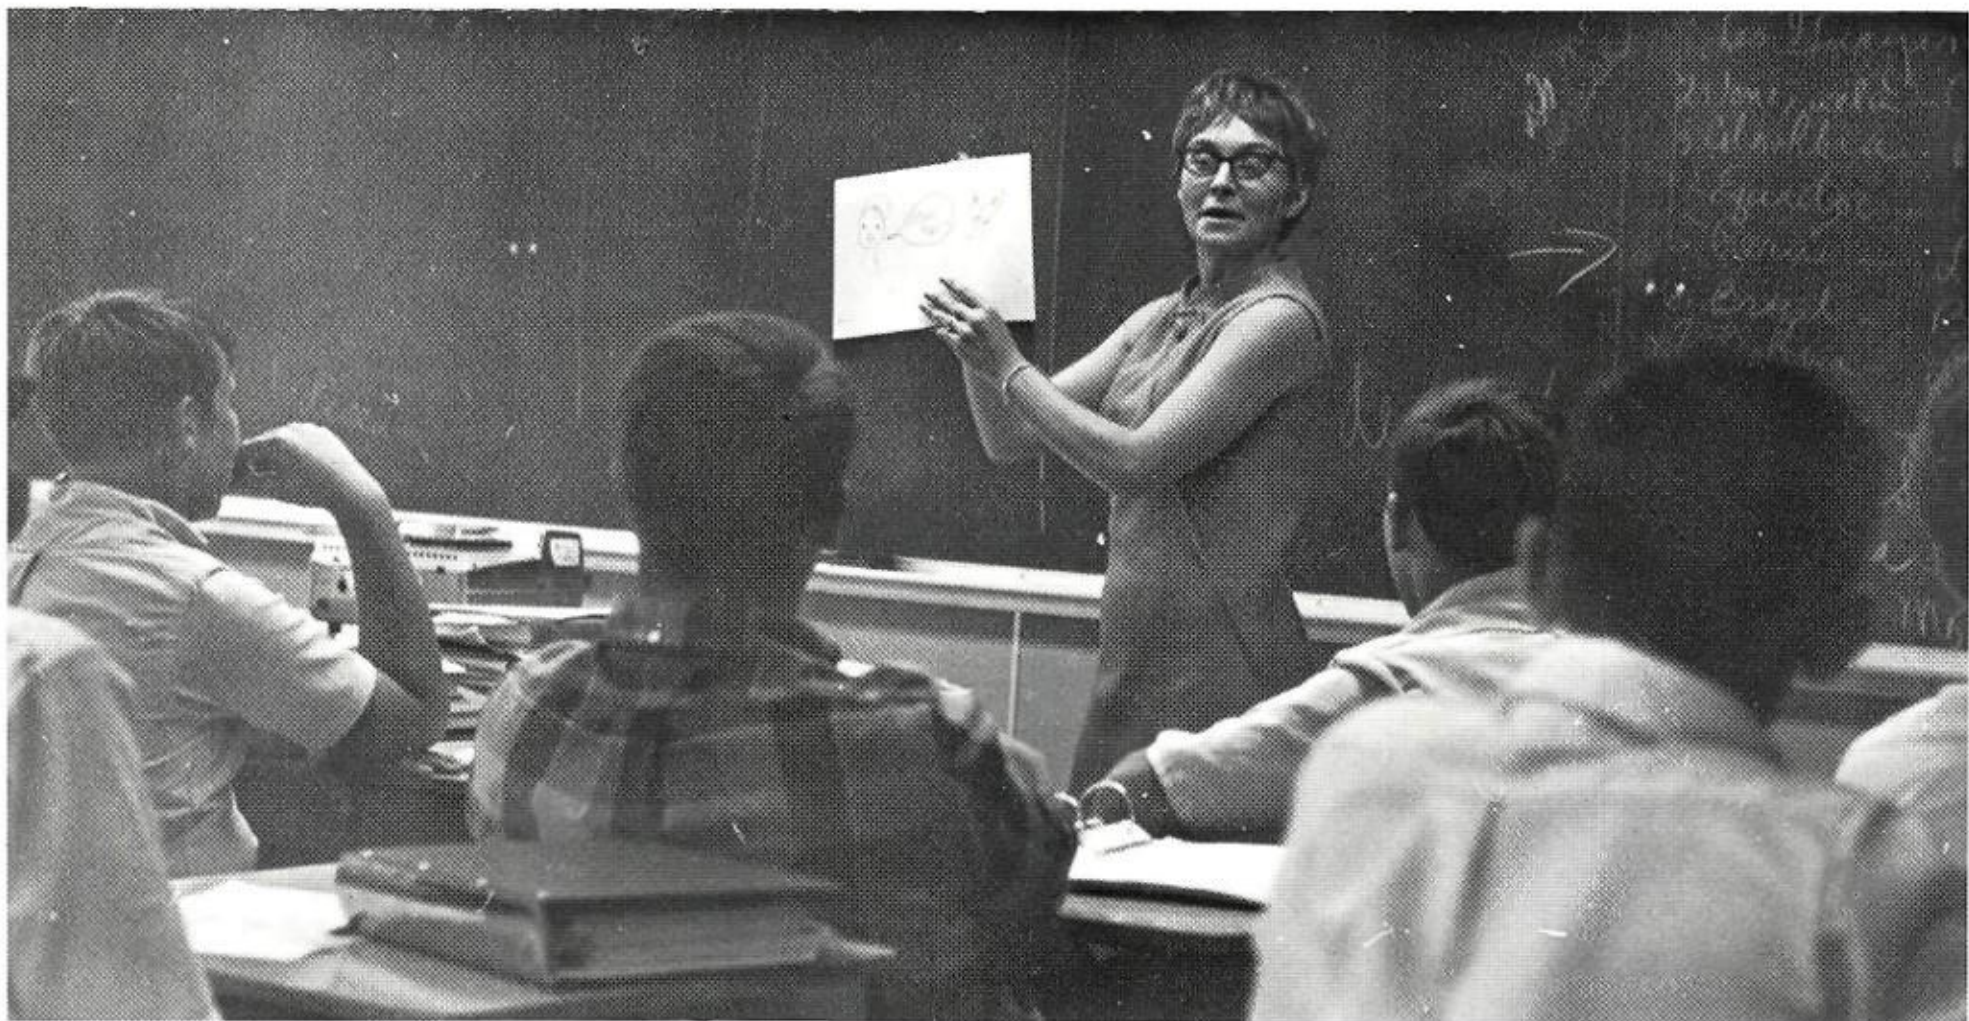

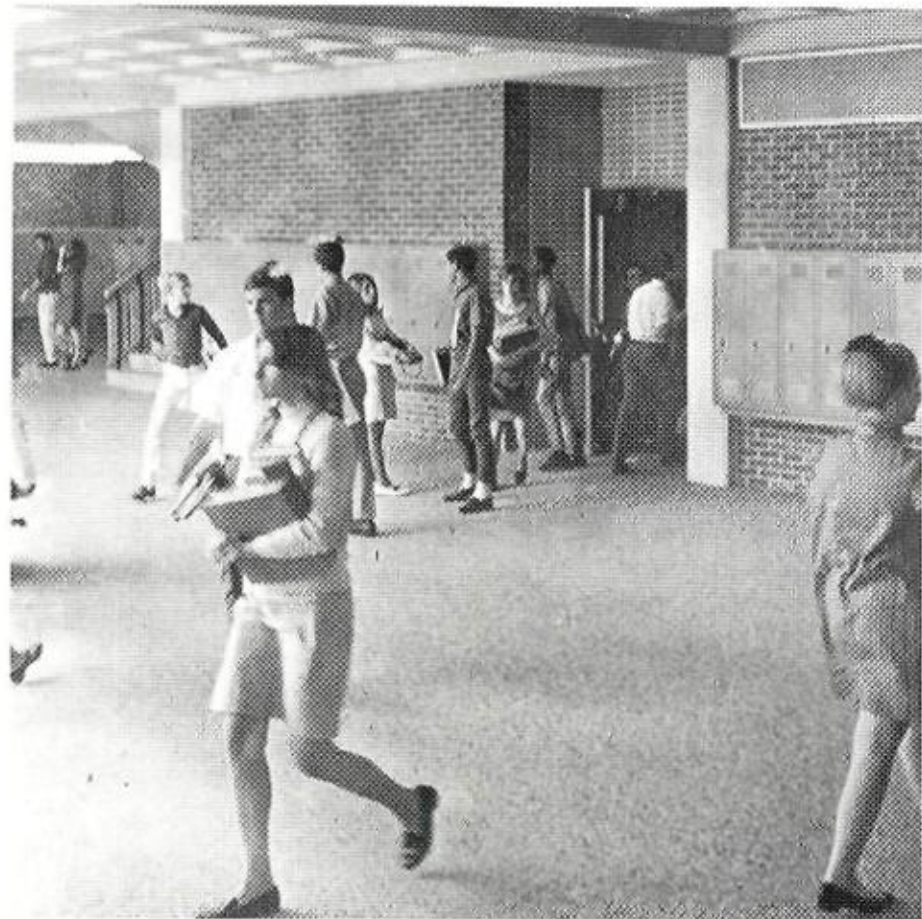

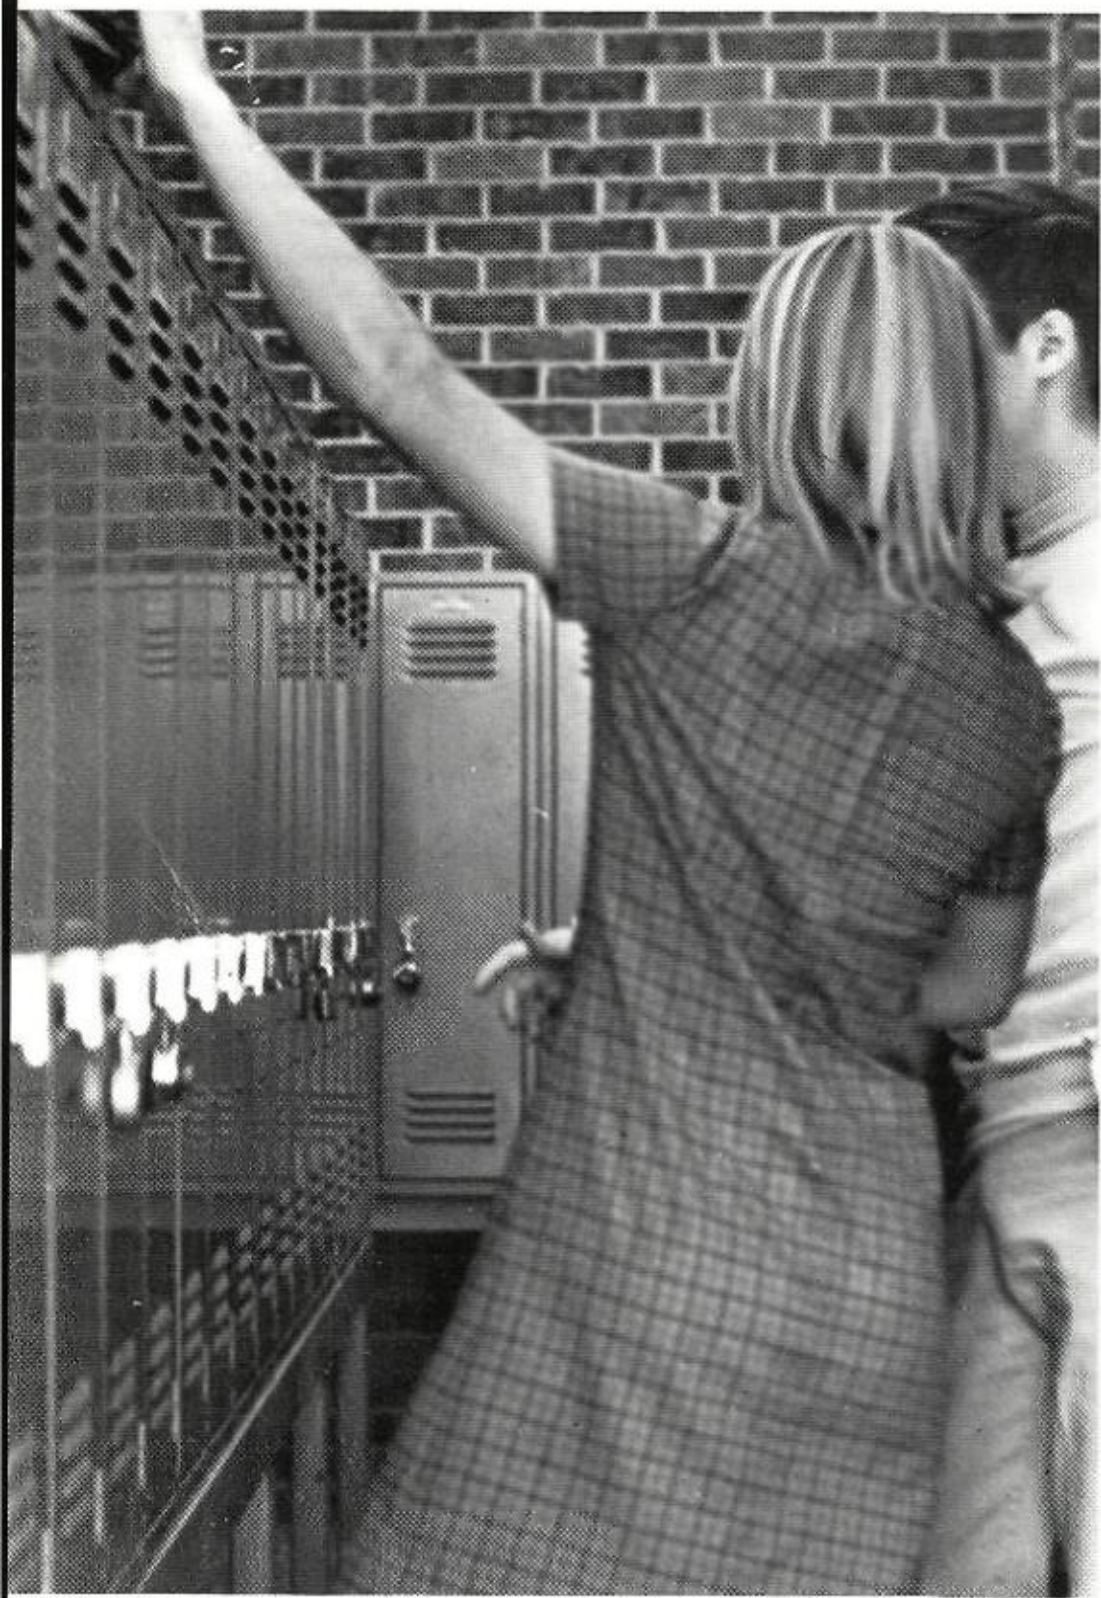

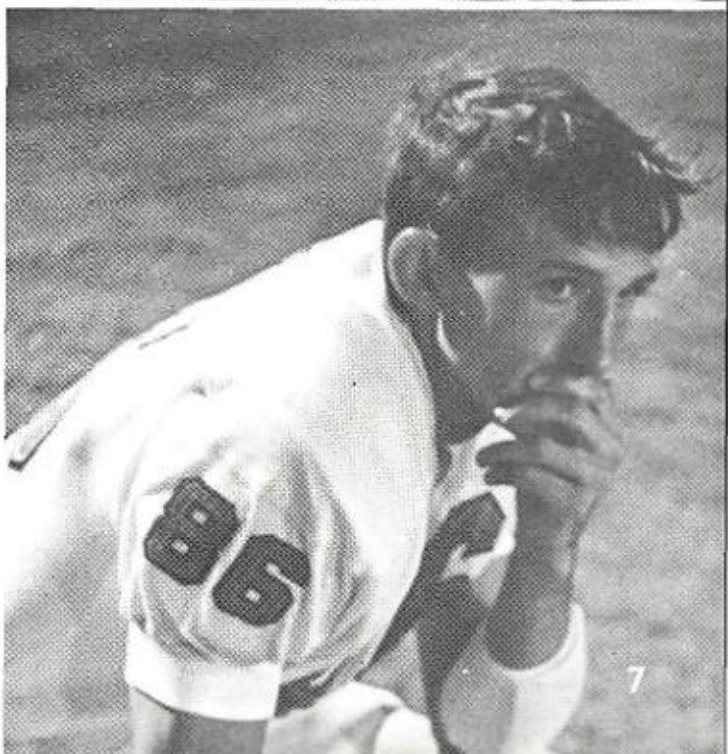

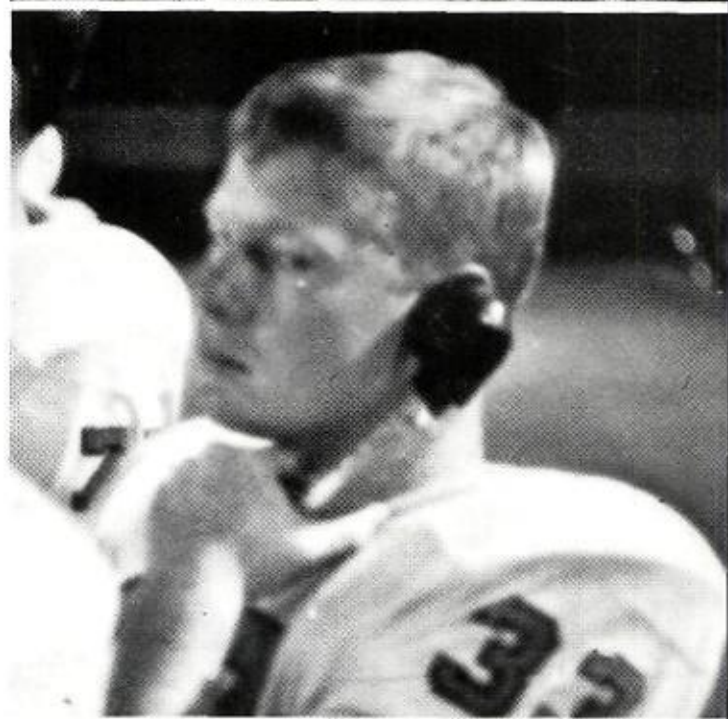

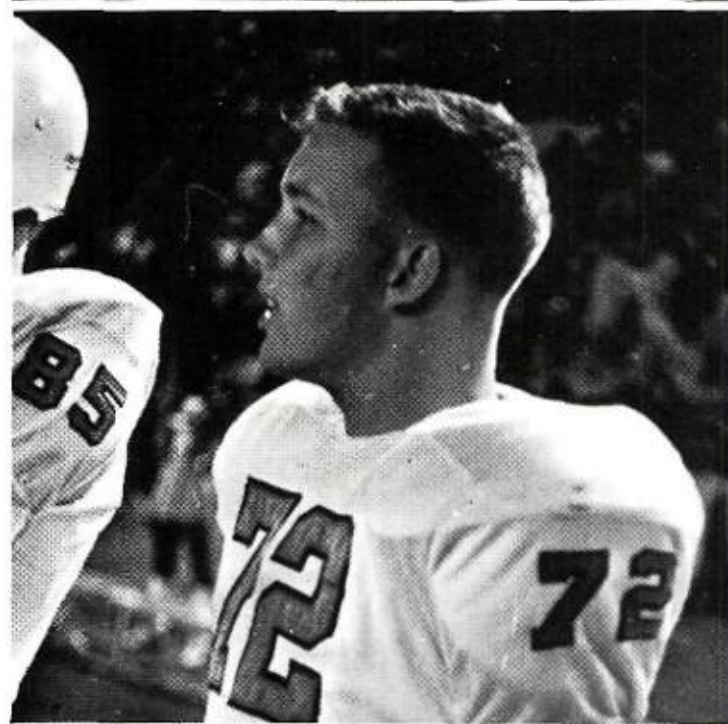

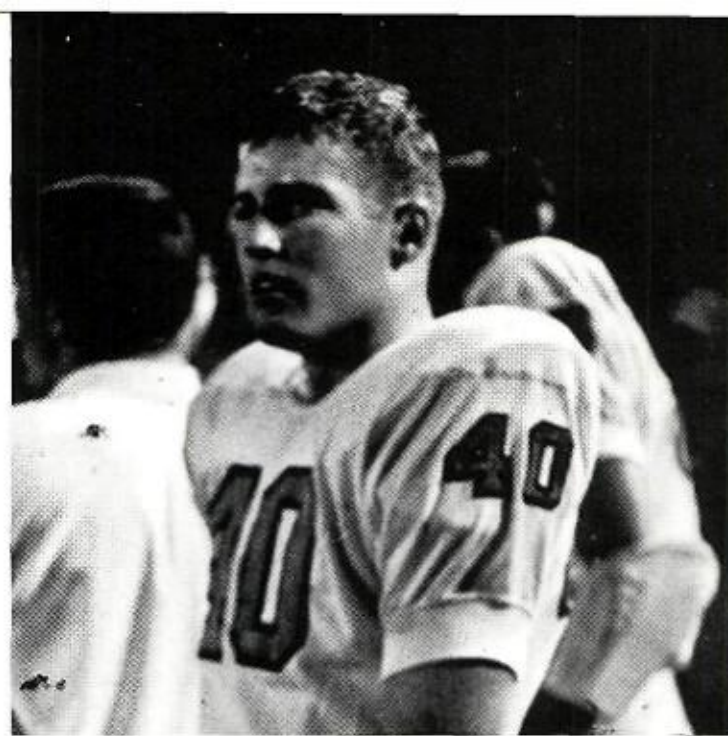

Not without
honor . . .

we shall
always be . . .

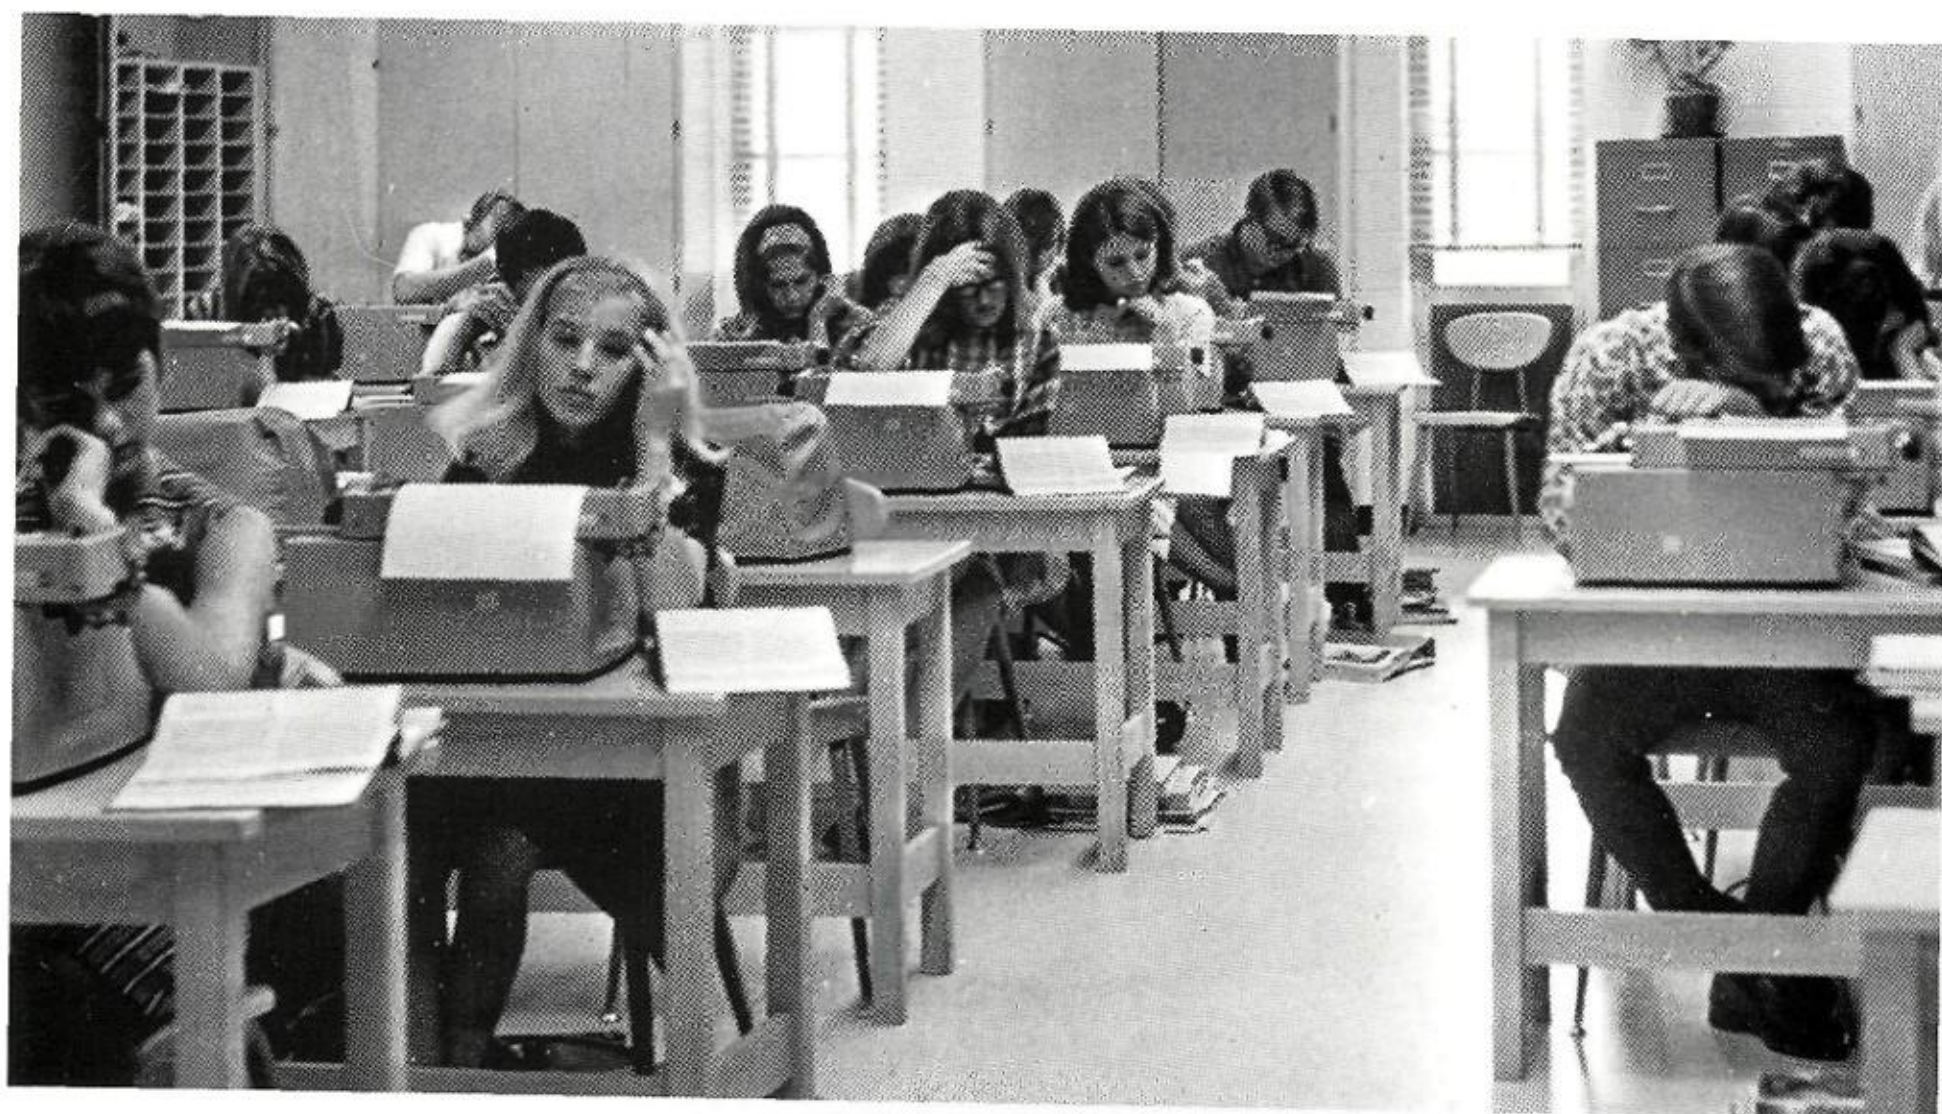

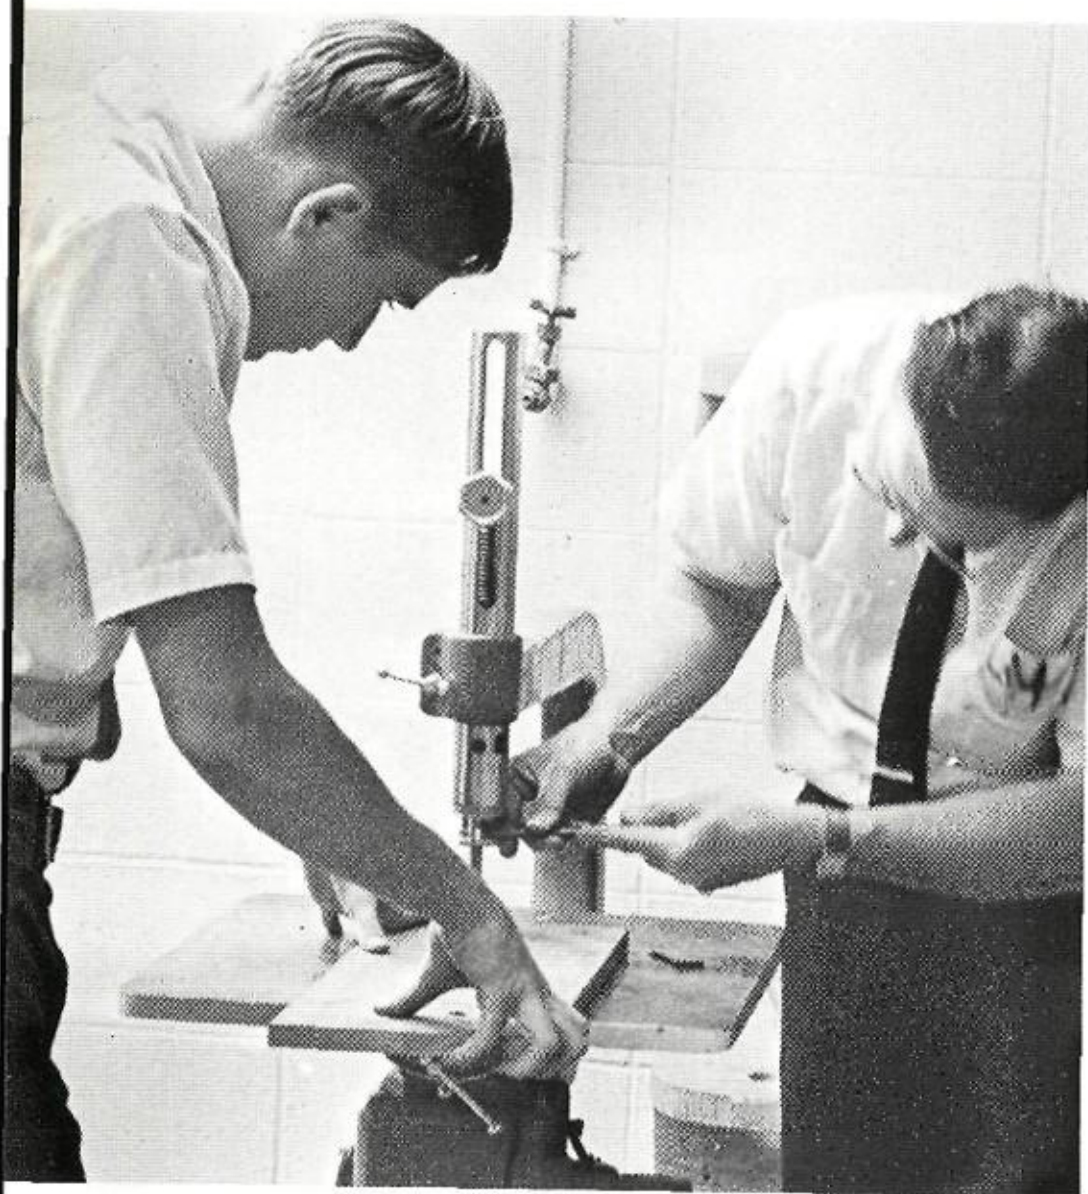

true to our colors . . .

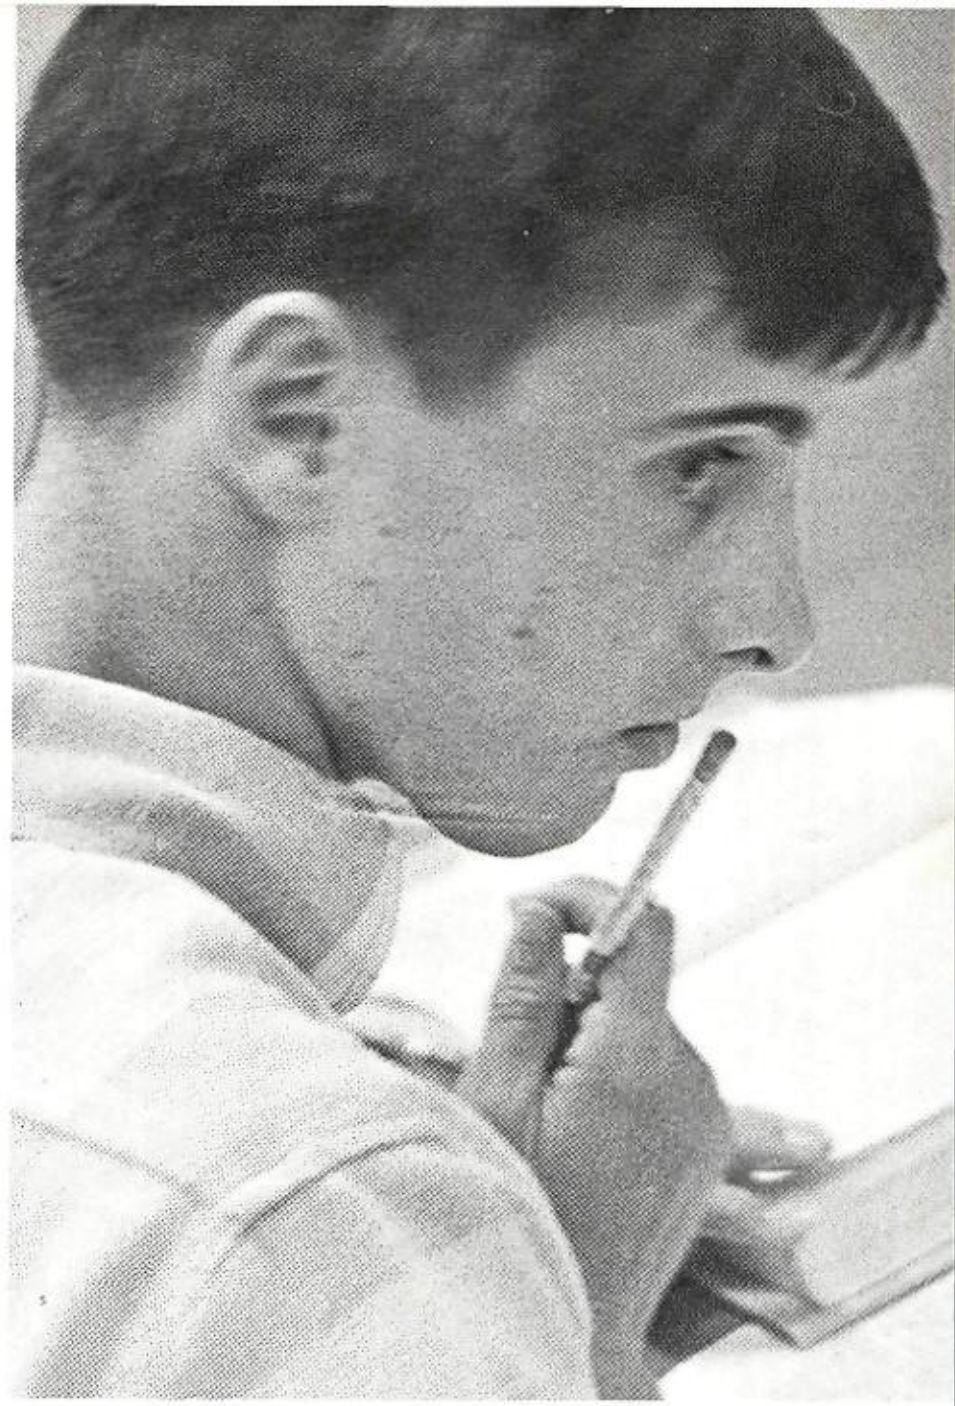

symbols of our unity.

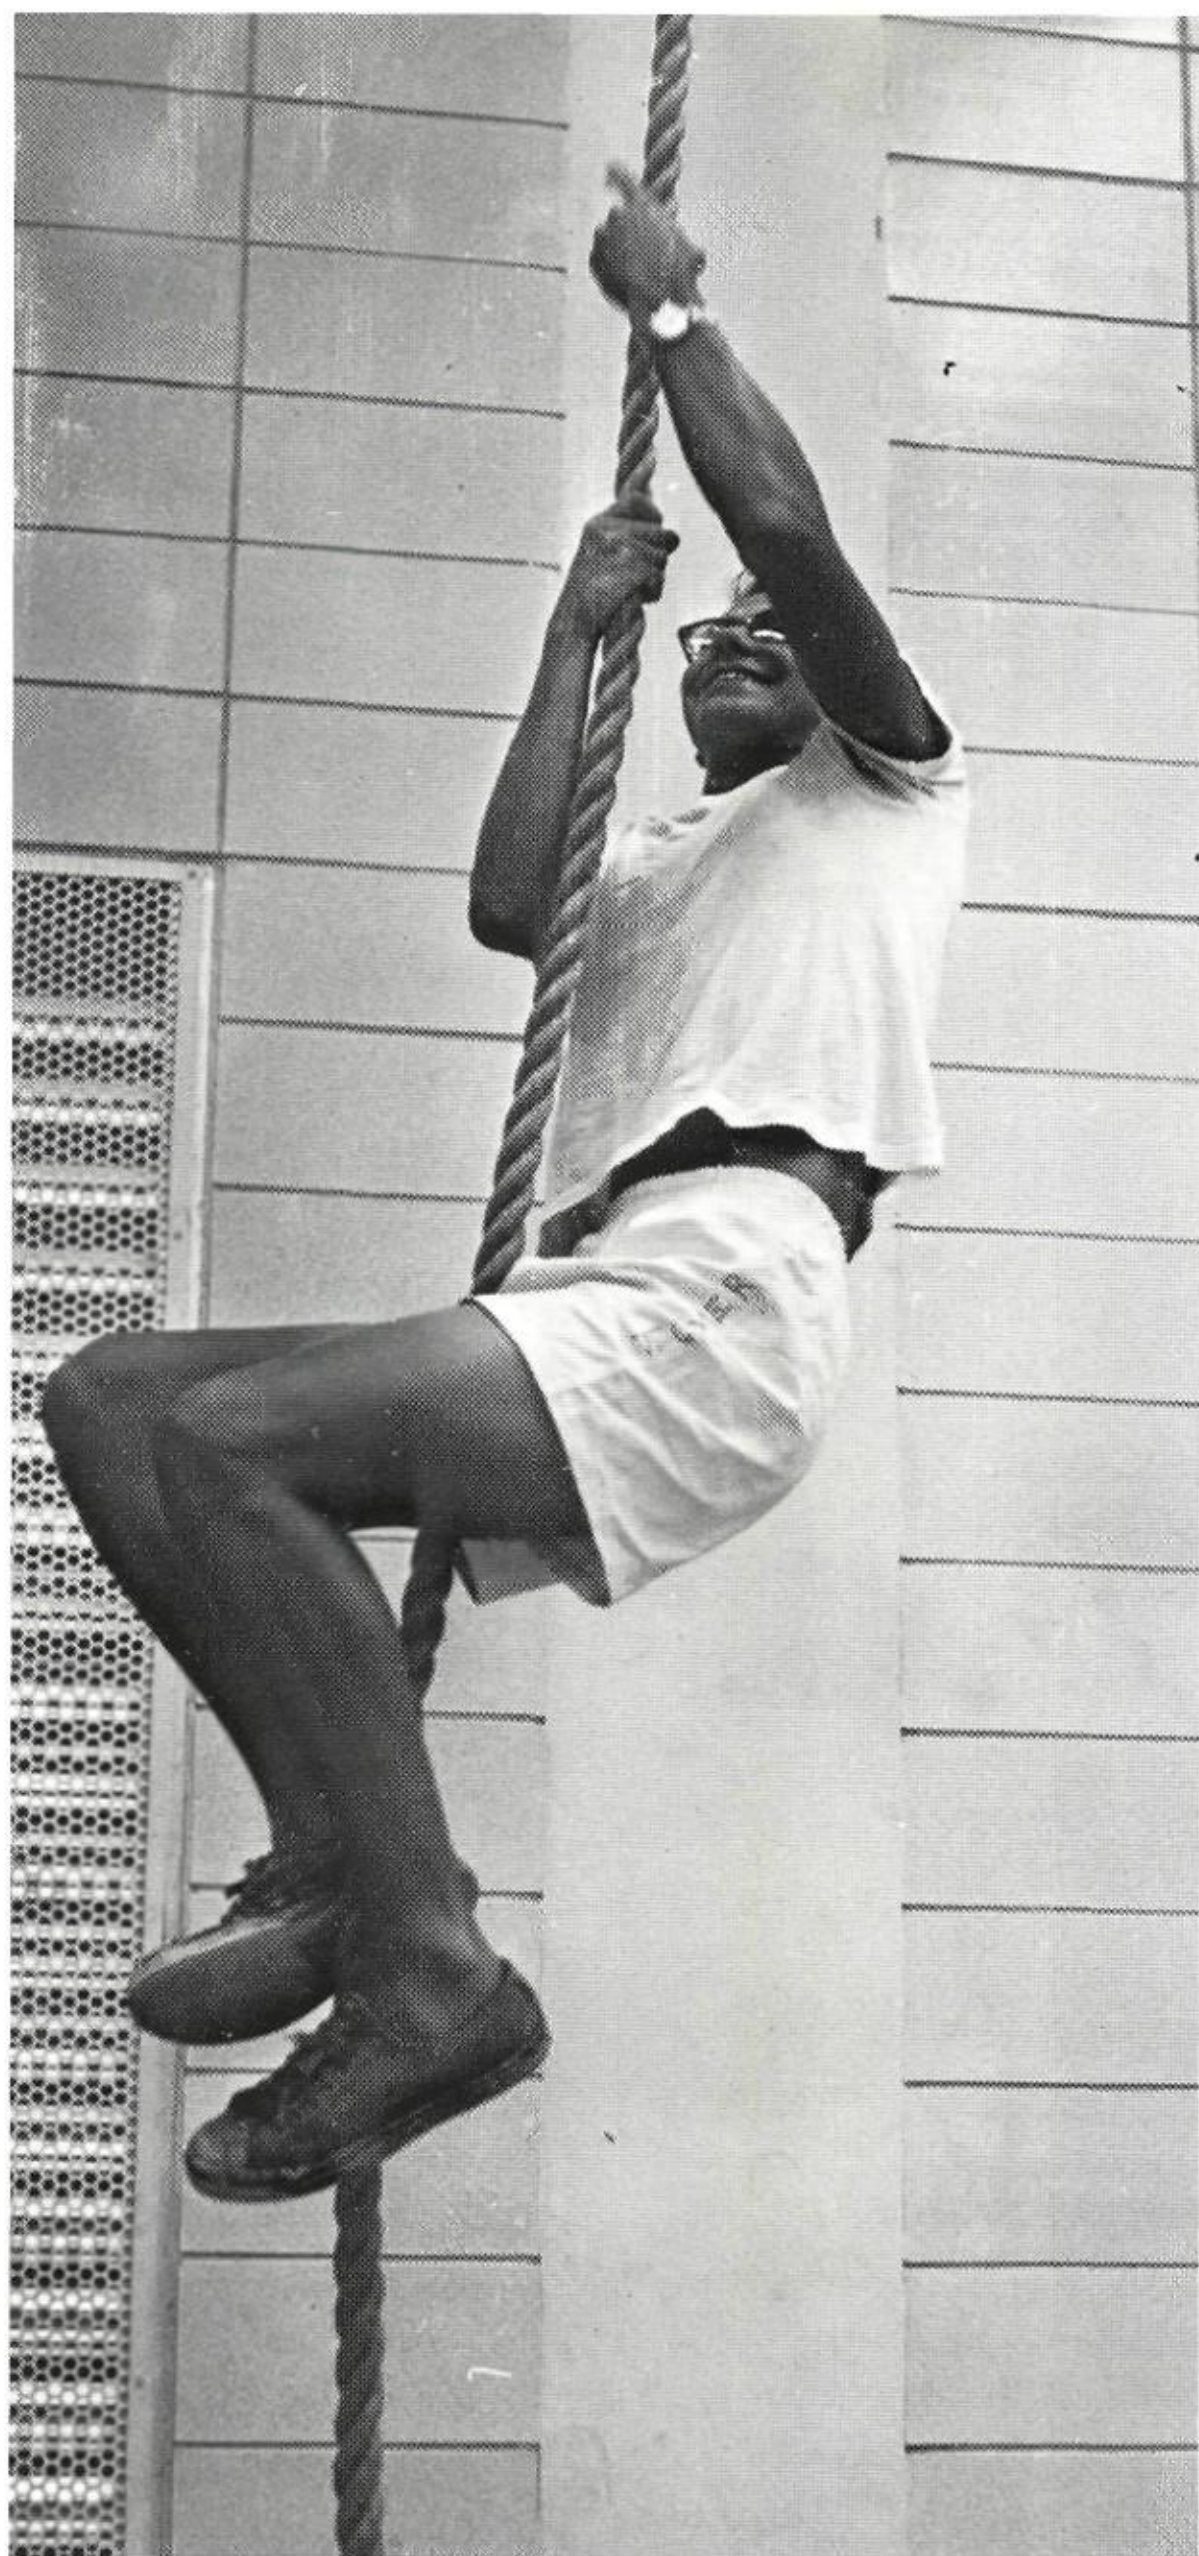

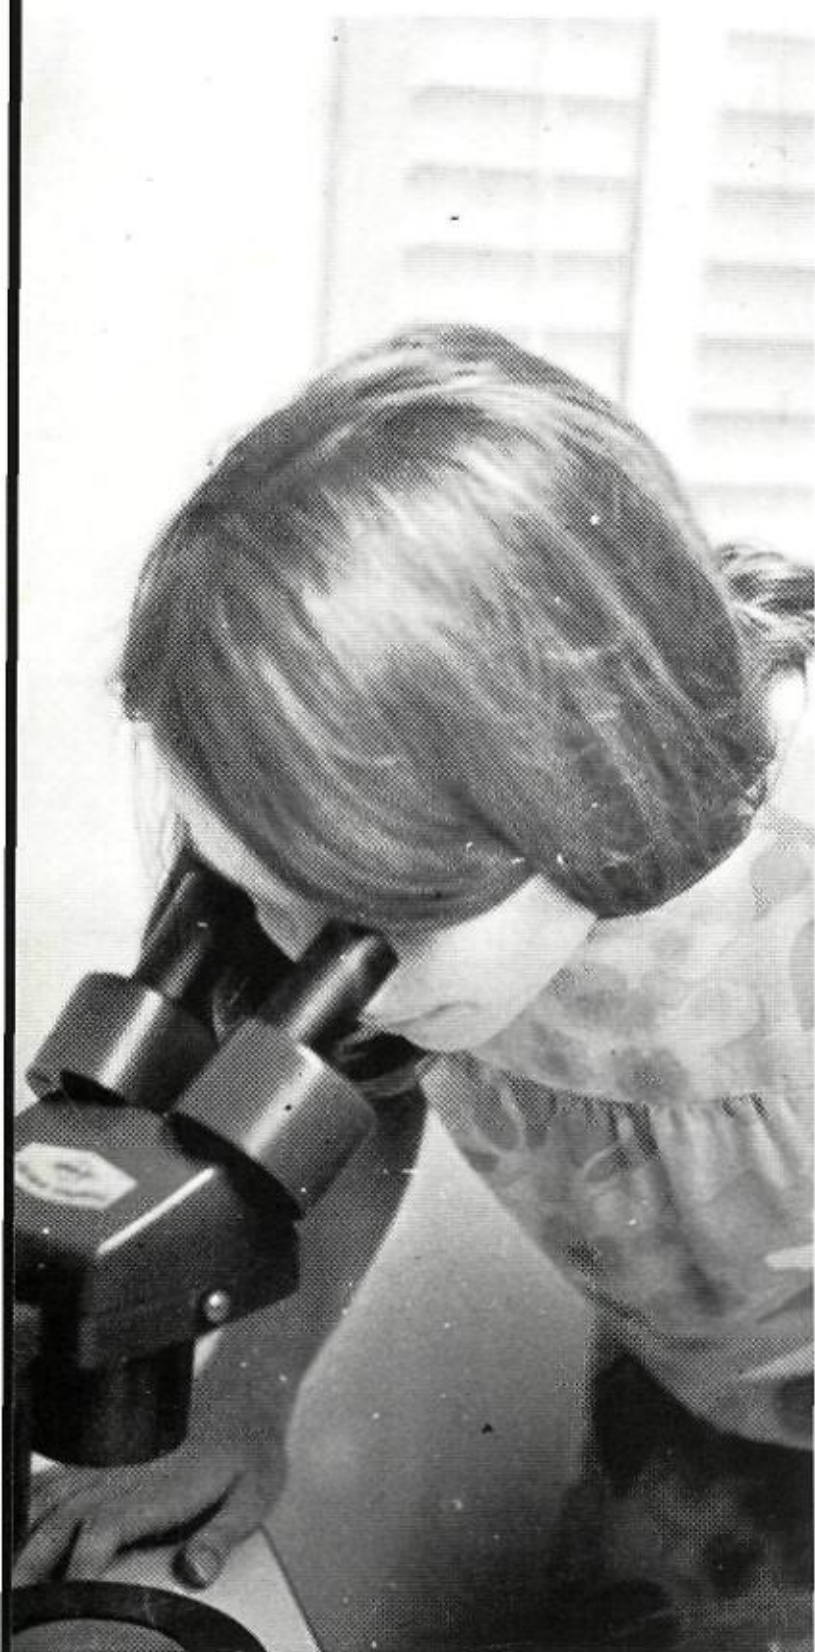

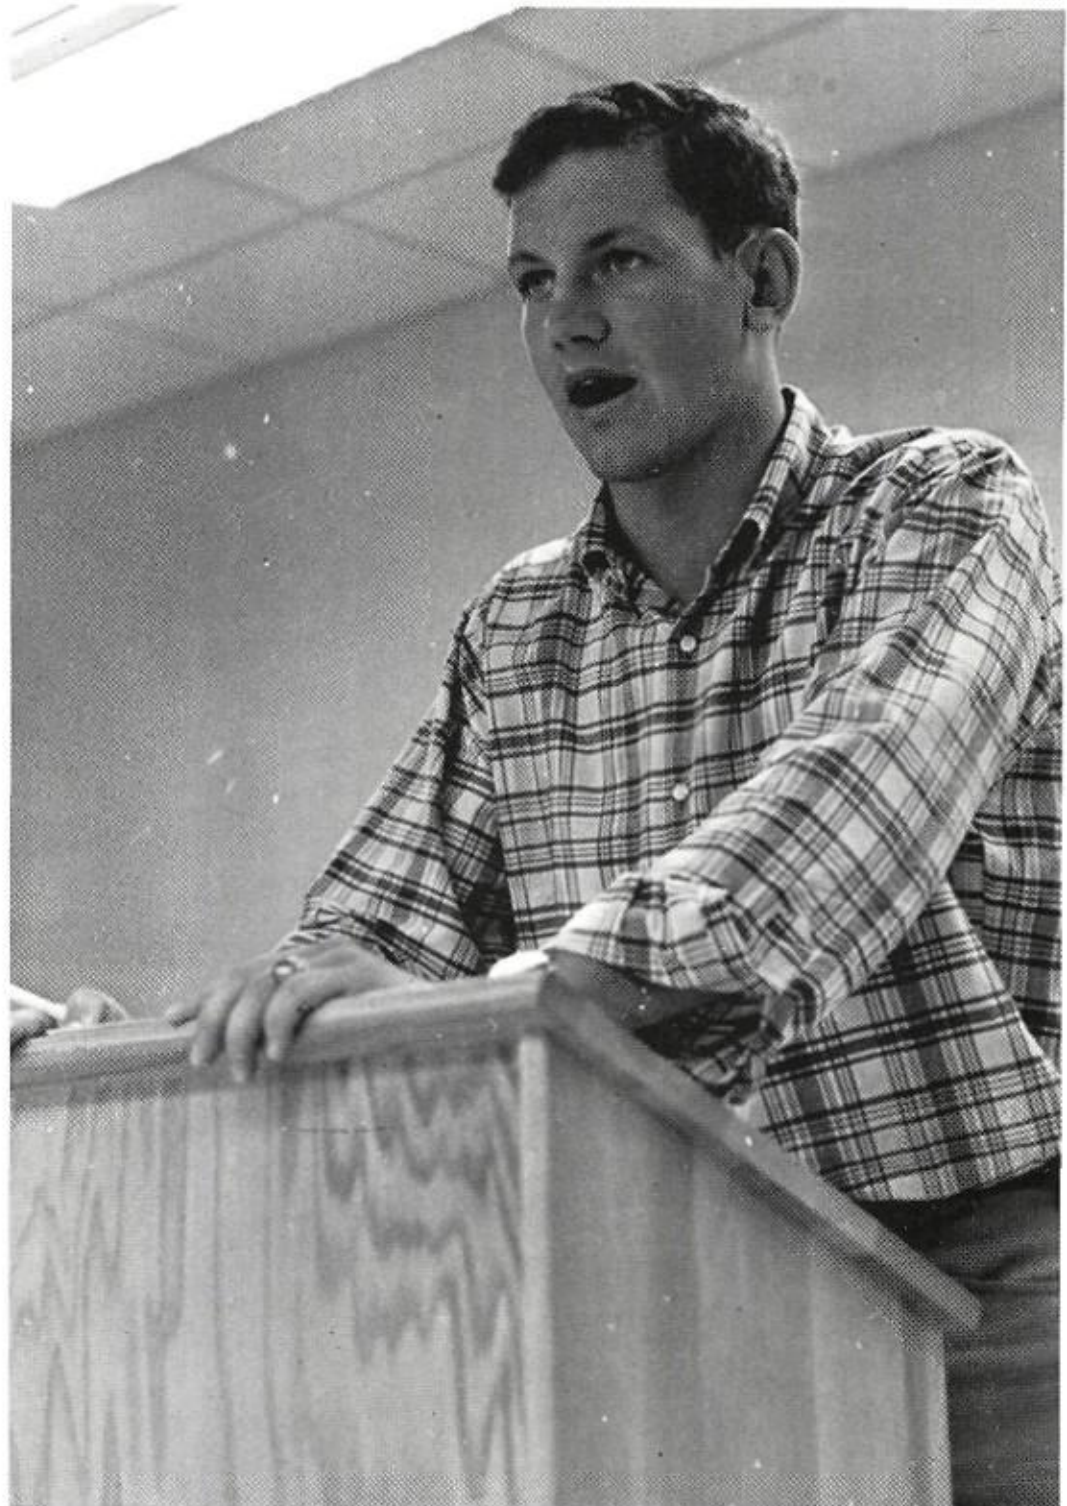

Spirit and victory,
bonds which strongly
tie . . .

our hearts,
our minds
together . . .

live with
honor
Reagan High!

Fall Student Council Acquires 3^M Copier for Library, Sponsors Homecoming Dance

STUDENTS FRUG, SHINGALING, skate, bounce at the Homecoming Dance sponsored by the Student Council.

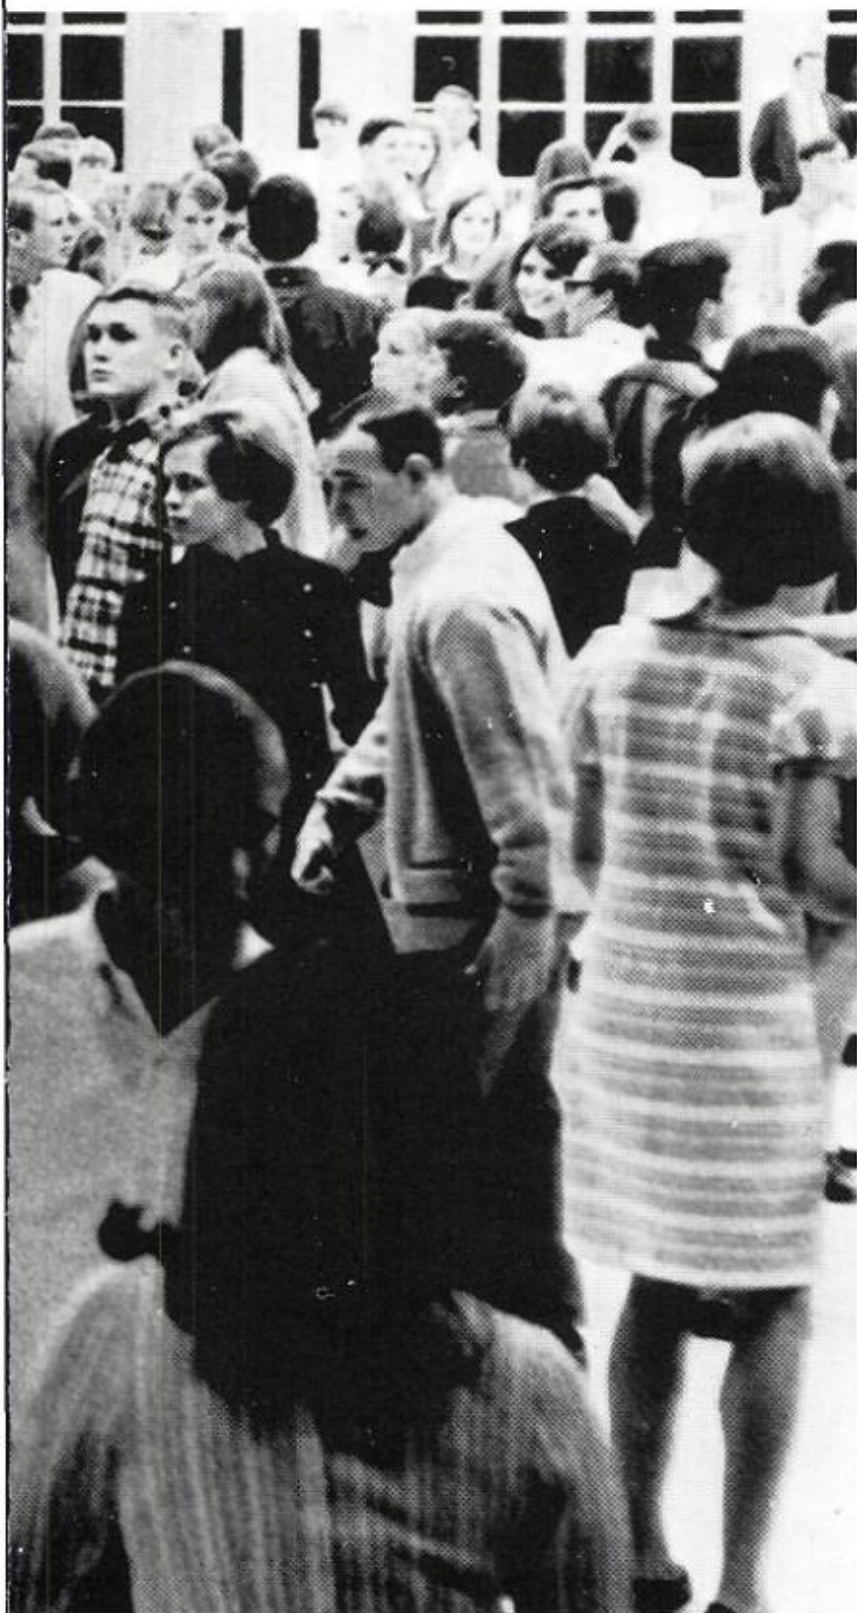

THE FALL STUDENT COUNCIL succeeded in putting 3^M copier machine in the library. Here, Mr. McDonald looks on, as a 3^M representative inspects a copy made by Karen Vickland.

The Student Council serves Reagan in an effort to help it grow. The main duty of the Student Council is to represent the student body and to decide on policies which help determine the government of Reagan High.

The Student Council has greatly helped Reagan achieve many goals. A 3rd copy machine, for instance, was installed in the library this year, which enabled students to make extra copies of such things as magazines and pictures. The Student Council also provided money to help pay for colored sports pictures used in the *Spur*. The teen jury greatly benefited from the Student Council's help of encouraging participation for the project; as a result, Reagan was greatly represented in the Teen Jury throughout the year.

The Student Council sponsored four successful dances, the first being the Howdy Dance, which welcomed all students. The Homecoming Dance was staged after the victory over Austin High. Next came the Valentine's Dance at the beginning of the spring semester, and the Western Dance was given after the annual Western Day.

Honor Society's Activities Include "Adopting" Little Girl

The Reagan National Honor Society's big project for the year was the "adoption" of a little girl in Hong Kong, through the Christian Children's Fund. Each month the club sent \$12 to the Christian Children's Fund so that it could be sent on to the little 11-year-old girl, Hui Bik Ha. The Society also sent gifts to the girl, and Tony Johs was selected to exchange letters with the girl.

The idea was hit upon last year and put into action at the beginning of October. Sponsor for the Honor Society is Mrs. Bobbie Sanders.

MRS. SANDERS, SPONSOR, frequently uses the mimeograph machine for club purposes.

'68 Ariel Staff Tries Again to Receive Top Rating

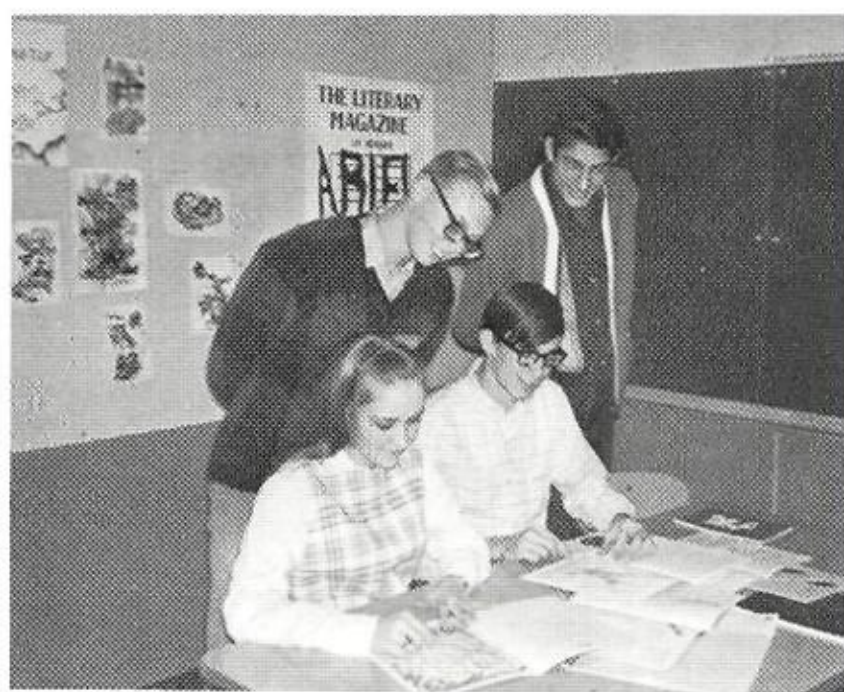

DECIDING ON A STORY to be published in the '68 *Ariel* is Mrs. Araminta Seal, sponsor.

Ariel staffers began on a happy note after hearing that the '67 *Ariel*, Reagan's student literary magazine, received a state superior rating from the Texas High School Press Association. Connected with this honor was the fact that this was the first magazine published and submitted for critique.

The *Ariel* contains poetry, prose, and essays, all written by Reagan students. A large bulk of the literature, however, is written by students from creative writing class, one of Reagan's more liberal classes. A new technique of writing to music is practiced in the course.

Sponsor of the Ariel staff is Mrs. Araminta Seal.

Throughout the year the members have heard various speakers talk on the different aspects of their profession.

Members also went to an elementary school to practice and get first-hand experience in the art of their future profession.

THE COACHES AND STUDENT BODY just don't know what to think about the HR³ spirit.

The HR³ is the only boy's service organization at Reagan. The club is limited to seniors only. One of the annual projects of the club is to paint the lines on the school parking lot. The outstanding activity of the club this year is the support it has given the team in pep rallies and on the field. They were steadfast in wearing their uniforms and making spirit signs out of wood.

Sponsor of the club is Mr. Jack Louis.

DOUBLE R'S PREPARE to seat themselves at the Bellaire game played in Memorial Stadium.

EXHAUSTION hits and Double R sleeps after another conquest.

AFTER ANOTHER exciting victory, Double R always finds something exciting to do.

ADDING TO THE HALF-TIME SHOW, Double R's do their pom-pom and "hat taking off" routine.

The Double R's organization is one of the hardest working service groups on the campus. Beginning in August, the girls came to the school to practice each morning at 6:30 a.m. After school started, students caught glimpses of the RR's in shorts and curlers marching across the parking lot of Nelson Field.

Girls must have a B average to try out for the organization and must maintain this average throughout the year.

The RR's were very active this year due to the many games and the boost in spirit because of the winning Raider team. Besides being at all pep rallies and games, they were faithful in selling spirit ribbons and other spirit boosters. The girls helped Publications tremendously by selling football programs at all home games. Other activities included ushering at the ice cream social and sponsoring a banquet in January. Sponsor of the RR's is Miss Paula McGee.

THE COLORFUL RR's added a change to the predominant orange and white of Memorial Stadium at the Bellaire game.

Annual Christmas Program Entertains Raiders

The highly praised Reagan choral department consists of three groups, the Reagan Chorale, the Girls Choir and the Boys Choir. The choir performs throughout the year in various activities including the Christmas program in the mall and intermission at the Beauty Review. The choir is continually performing for the student body and for private service clubs. They also produced "Amahl and the Night Visitors" before Christmas.

The talent of the department showed when many members received high ratings in Regional Choir auditions and the University Interscholastic League competition.

In the spring, the choral department joined with the drama department in producing the Broadway musical "Roar of the Grease Paint and the Smell of the Crowd."

The Madrigals, an honor division of the choir, has won praise and acclaim all over North America. This group specializes in Renaissance music.

Director of the choir is Mr. James Shepherd.

Blue Jesters Begins Its Work During Summer

HOWARD ALLEN, PRESIDENT of the Blue Jesters, discusses future plans with the members of the club at a summer meeting.

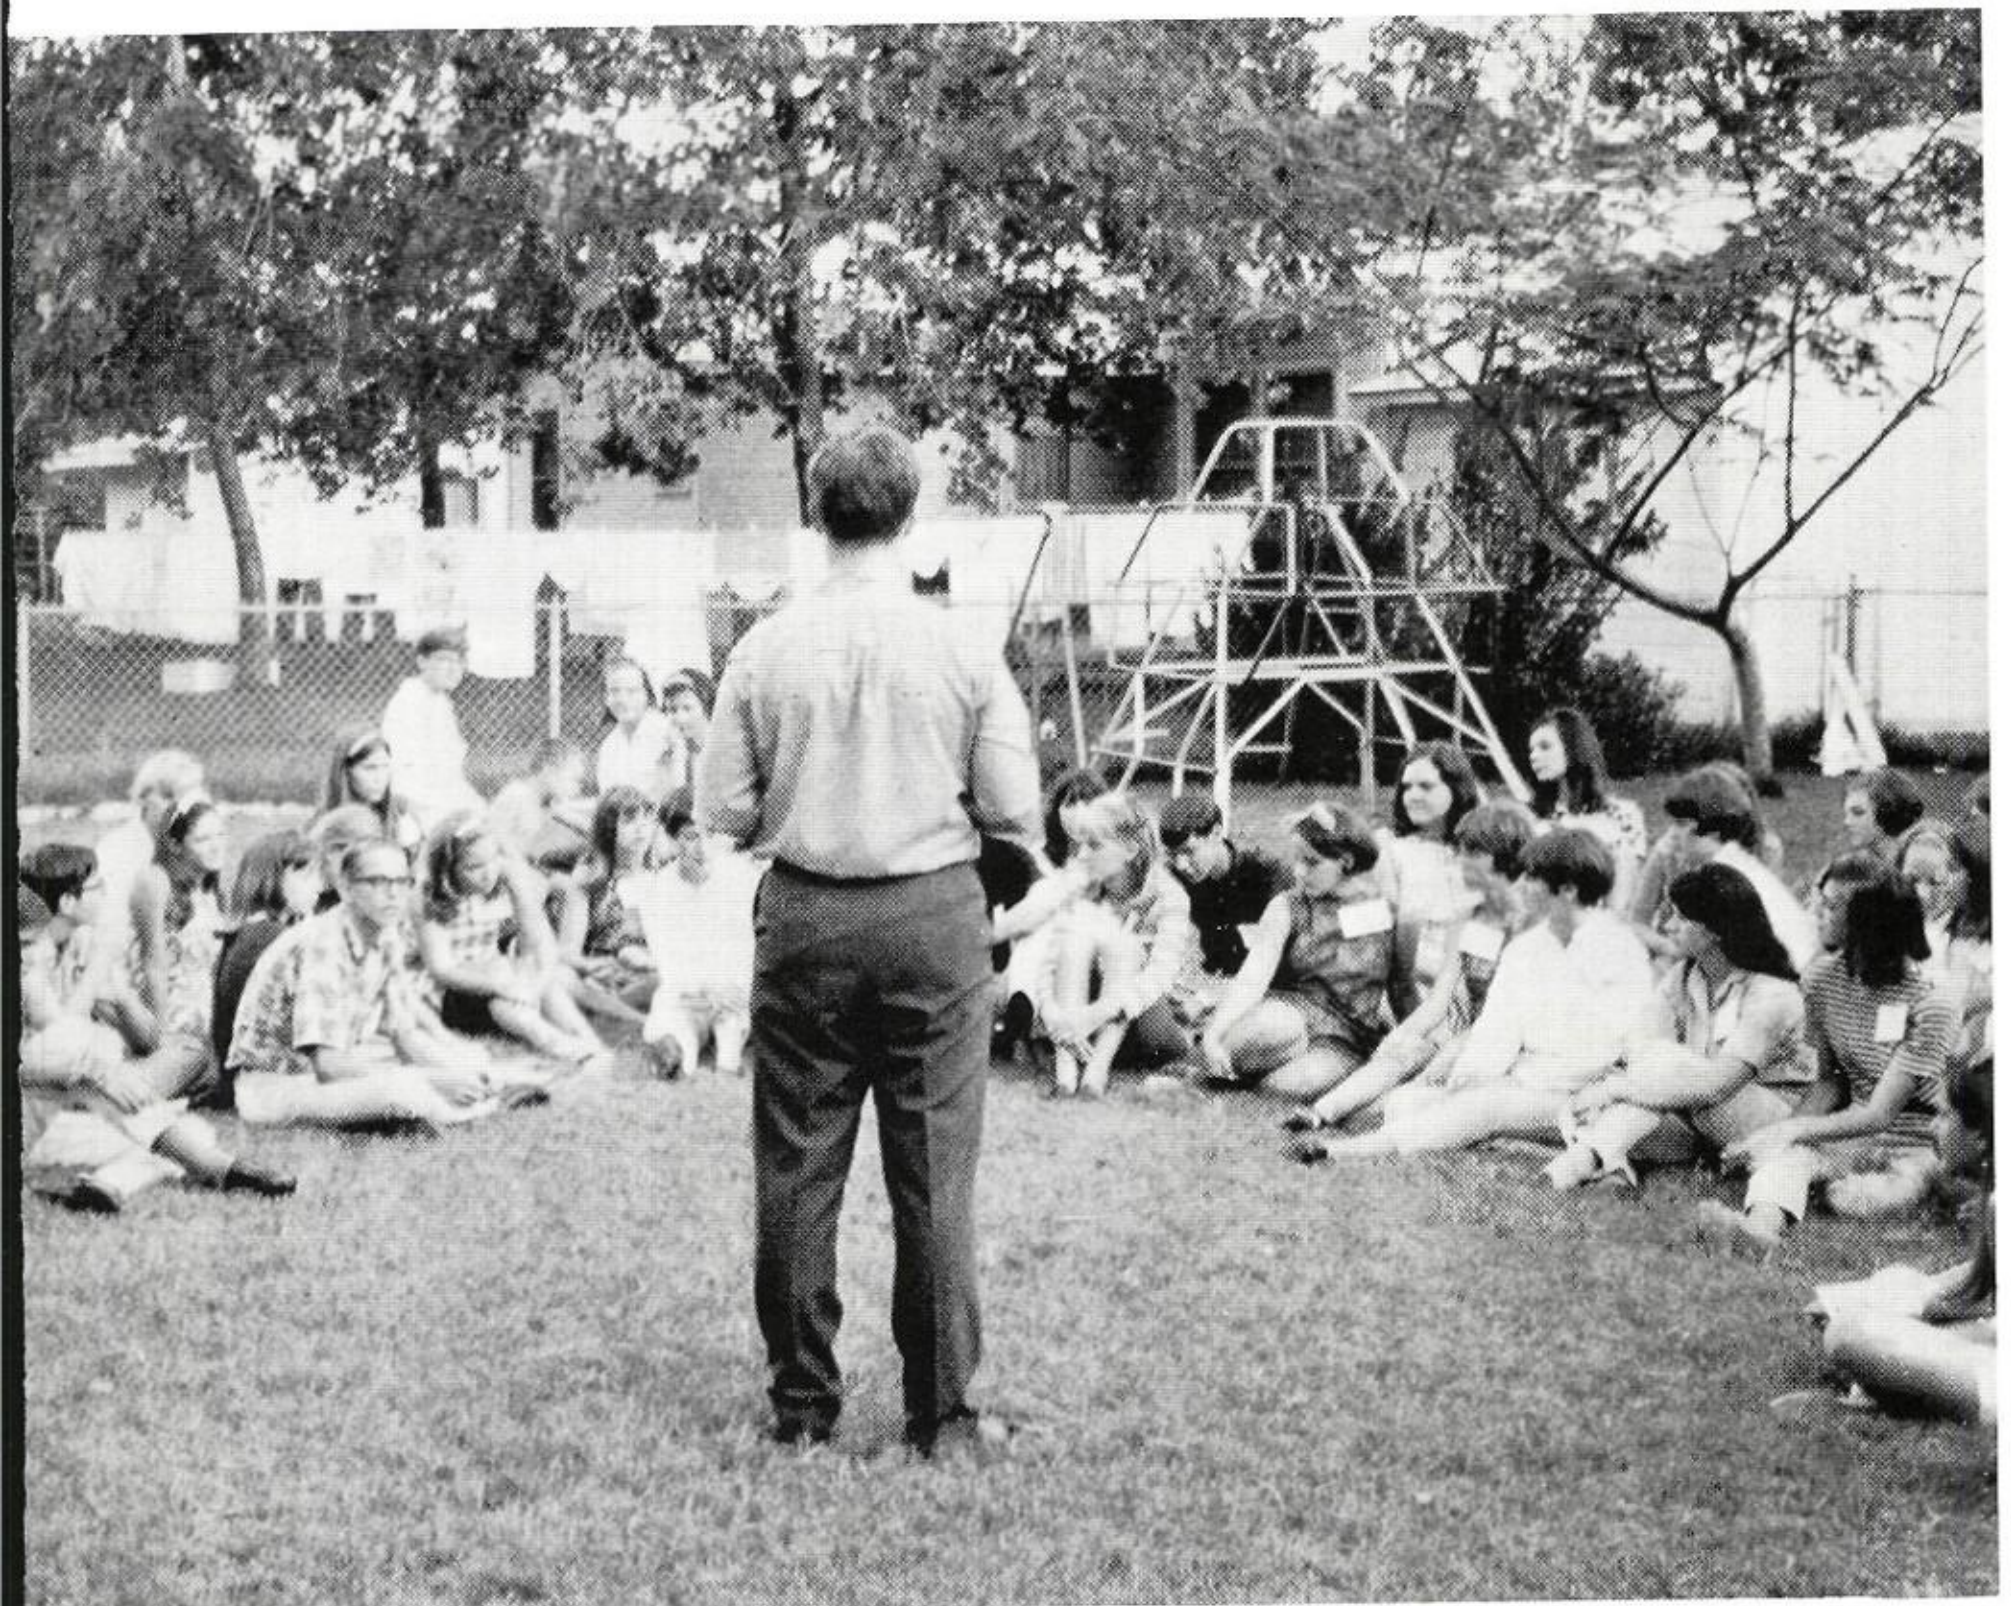

SUE SCHOALT, SKEETER SMITH, Mickey Corenbliit, Dave Lamme, and Robert Lineback act up at a meeting.

This year, the Blue Jesters has outdone itself in its stage productions. Critics can really tell that Reagan's drama department has matured in the three years in which it has been in existence.

The play chosen for the fall production of the club was "The Curious Savage." The play was directed by Mrs. Carol Farmer, and Peggy Goethe served as assistant director. The plot of the play was centered around an eccentric old lady who was battling her relatives to keep her fortune. The play was a delight to all students and parents who saw it.

At Christmas, the club joined with the choral department and presented the one act opera "Amahl and the Night Visitors." This was truly the epitome of hard work on the part of every Blue Jester and choir member. The two nights' showing of the opera drew large crowds to Reagan gym to see the number one talent there was.

In the spring, the club again joined the choral department in the production of the Broadway musical, "The Roar of the Greasepaint, the Smell of the Crowd."

MEMBERS OF THE BLUE JESTERS, REAGAN'S DRAMA CLUB, are, *first row from the left*, Howard Allen, President; Suzy Clarkson, Vice-President; Martha Lofley, Treasurer; Ronnie Garmann, Sergeant at Arms; *not pictured*, Skeeter Smith, secretary; *second row from left*, Sandra Eichorn, Laurie Rasco, Linda Purse, Kathy Sherrill, Tannie Tullos, Debbie Youngblood, Kathy Simmons, Charron Hodge, Pam Johnson; *third row from left*, Nancy Neilly, Suzy Schoener, Cheryl Pritchett, Menette Dodge, Carlyse Smith, Suzanne Weif, Janet Gregg, Frances Farmer, Mary Challey; *fourth row from left*, Brian Koehler, Peggy Goethe, Caren Murchison, Becky Krippa, Dianne Schoner, Faye Pyratel, Barbie Jones; *fifth row from left*, Gary Hallock, Anita Allen, Mickey Briggs, Colleen Pritchett, Kay Stevens, Becky Davis, Glen Wagner; *sixth row from left*, Linstor Lafley, Evan Pierce-Jones, Randy McGuire, Curtis Locklear, David Dean, Gary Knippa, Mickey Corenblith, Robert Lineback; *not pictured*, Denise Holman and Cornelia Smyth.

The club has participated in dual and invitational meets during its November to April season. Several members of the team competed in the Texas High School Gymnastic meet in April. The team has also performed at half time at four basketball games, and hosted the University of Texas Gymnastic team in a benefit show at Reagan during February.

Bobby Sargent, team captain and a junior at Reagan, holds the Texas High School Gymnastic Gold Medal in trampoline, as well as the bronze medal in all-round gymnastics, and also the Southwestern AAU Gold Medal in Gymnastics for the Gulf Coast States. Sponsor of the group is B. W. Schenk.

Reagan Band, Sound of Spirit at Football Games

HEY, HO, RAIDERS GO ... Band members add voices as well as music to football games.

MR. HUNGER, band director, leads the band while watching the action on the field.

BAND plays in formation at the end of another well presented half-time show.

What's the *loudest* of spirit makers around Reagan? Why, the band, of course. This large organization begins work in the summer when the members start practicing precision marching with their counterpart, the RR's. Rising each morning at 6:30 becomes a habit to band members who live by the motto, "Practice makes perfect."

After a superb half-time performance by the band and RR's, one can be assured that they will receive a standing ovation from Reagan fans.

The band presented its first concert at the ice cream social before school started. Since then, they have performed on numerous occasions, and also have taken part in Interscholastic League competition. These contests have proved to be a big part in each band member's daily life.

Director of the band is Mr. R. B. Hunger.

Active Science Club Aids Average Students In Sciences Offered At Reagan High

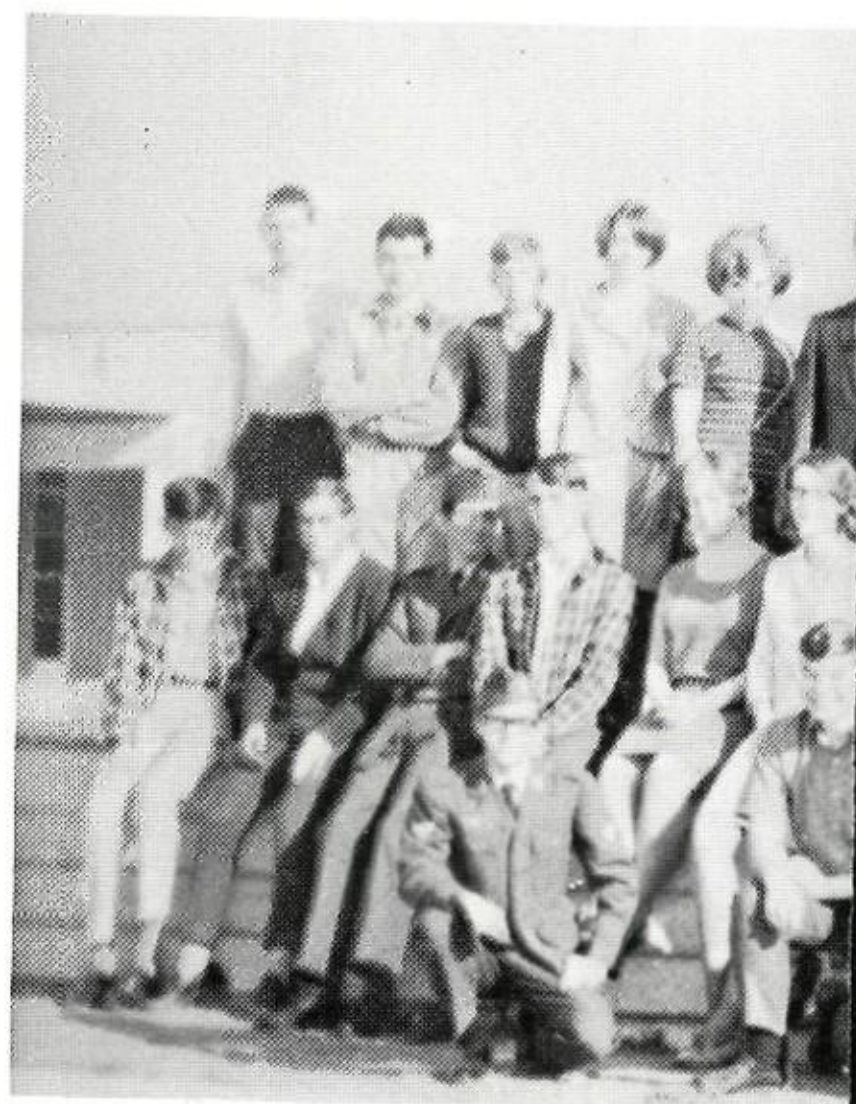

Representing Reagan's science department is the Science Club. Everything from microbes and bacteria to atomic energy and atom bombs are freely discussed in their meetings.

"Learning more about science" has been the Science Club's main objective. Although meetings were short, many of the members learned to vary their talents in other fields of science. Speakers and professors from the University of Texas presented lectures to the club at various meetings.

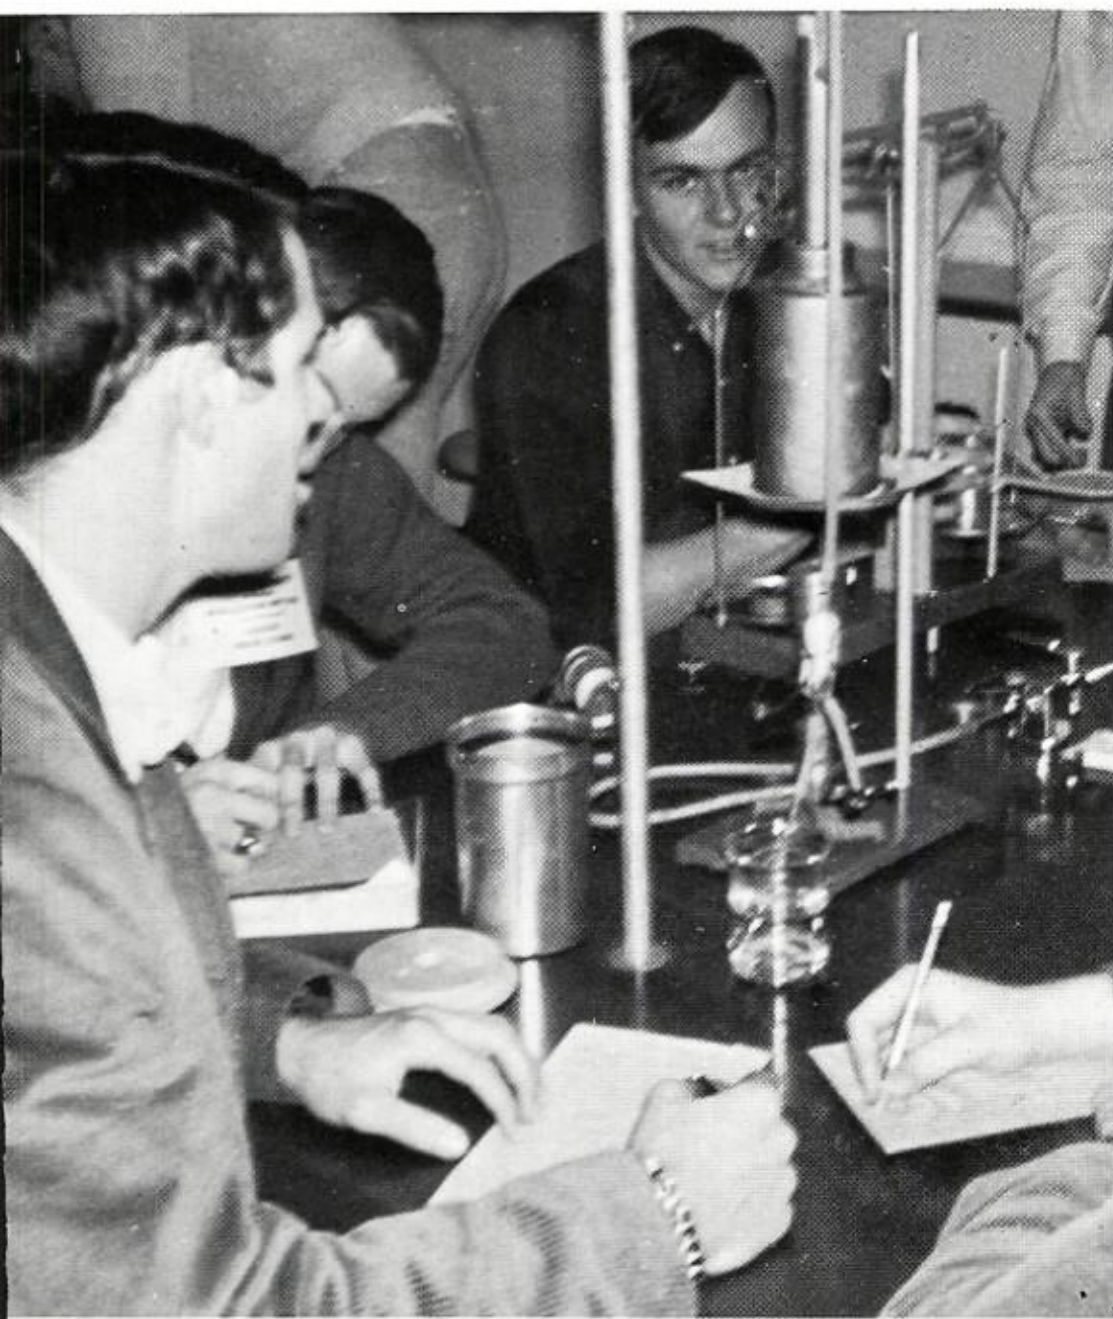

Officers of the club included Gary Currier, president; Diane Newmann, secretary-treasurer; Brian Kochler, Sergeant-at-Arms; Will Davis, parliamentarian; Science Club sponsor is Mr. Bert Tucker.

Radio-Electronics Provides Lectures, Demonstrations

A new club at Reagan this year is the Radio-Electronics Club. The purpose of the club is to increase the student's knowledge in radio and other electronic fields. One of their projects of the year was to try to start a group which would converse on the Citizens Band Radio once or twice a week.

Officers for the club are Don Francis, president; Will Davis, vice-president, and Mike Sellingsloh, secretary-treasurer. The club's sponsor is Mr. Charles Allen.

Sweetheart Election Climaxes Industrial Arts Year

The Industrial Arts Club is composed of students who are interested in widening their knowledge in this technological age. The students are concerned with tools, materials, experimentation and processes of industry.

As a project for the year, the club spent several months working on a basketball foulboard with an electric lighting system. The club also attended an Industrial Arts contest at Texas A & M in the spring.

One of the honors the club received during the year was having their own president, Don Parker, elected state sergeant-at-arms, and national vice-president.

The work needed to produce a *Spur* is a never ending circle of taking pictures, writing copy, cropping pictures and meeting dreaded deadlines. The yearbook staff this year learned that the production of the '68 *Spur* was in no wise different!

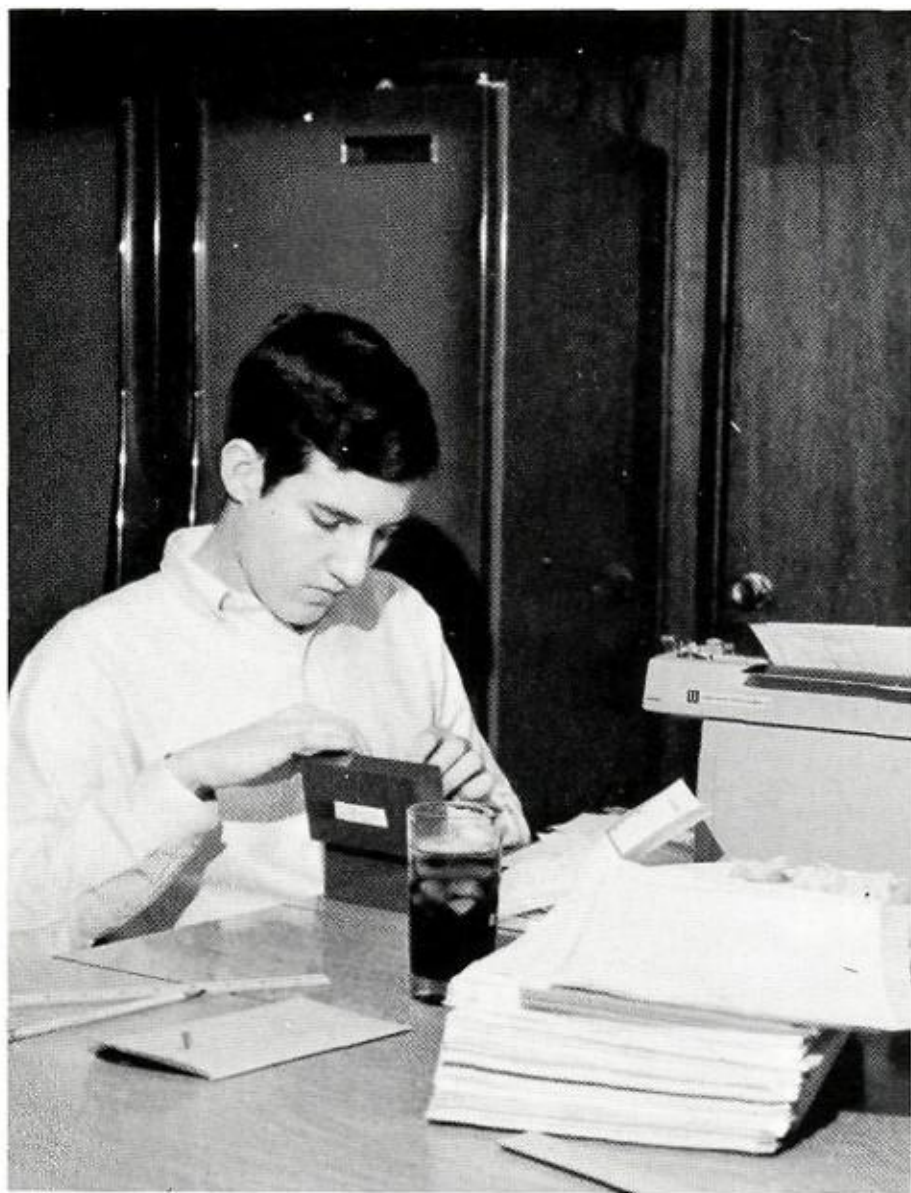

The '68 *Spur* began with the supervision of Mrs. Glynn Bates. As deadlines became increasingly harder to meet, she came to realize why last year's Publication's sponsor, Mrs. Kay Stark, resigned.

A staff of approximately fifteen members set goals of adding more pages and more color pictures to the *Spur*. Also, several members of the staff attended a yearbook workshop held at Trinity University in San Antonio from June 11-16. Further work began in the summer when staffers began selling ads to help finance the book.

A dark room was added to publications this year. The darkroom, a small room in the Science Department, saved a large amount of money in the development of pictures.

TIM RICH LOOKS on as Bill Bray finds receipts for yearbooks.

The journalism class, held second period, is taught by Mrs. Glynn Bates. Through the journalism class the students work on the school paper, The Radar.

Classtime and after school provide opportunities to paste up ads, lay out copy, and proofread stories.

There are also publications representatives elected from each advisory to help with some of the work from the Publications Department. From time to time things come up, such as the collection of money for school pictures. The representatives do this and help out a great deal.

The Publications Department also sponsors an annual Beauty Review, which was held on November 21.

EDITOR OF THE RADAR, Janet Schutz, especially enjoys working on the paper when the journalism class has quit on her.

The Reagan football team rates No. 1 in many ways this year. The Raiders became South Zone Champs, District Champs, State Champs, and last of all, National Champs. From San Antonio Churchill to Abilene Cooper, Reagan's team effort has been overwhelming. Without the tremendous work of the team, the fantastic coaching job, and roof-raising spirit of the student body, a No. 1 rating in the state and nation could not have been accomplished. Many honors were given the Reagan Raiders, but the best of all was STATE CHAMPIONSHIP, 1967!

CHURCHILL ... The first victory of the season came with the first game against the San Antonio Churchill Chargers. An outstanding victory of 60-7 was a welcomed sight to the spectators. The passing ability of quarterback Bill Greif, the running abilities of Johnny Kleinert and Donald Ealey, and the kicking excellence of Jesse Thompson revealed to the Chargers that Reagan was out to win the District race.

ANOTHER RAIDER T.D. is added to the scoreboard.

LOCKHART ... Due to the light rain that fell that night, the spectators were quite wet, but the rain never phased the mighty Raider team. The 53-0 victory was the second for the Reagan Raiders, although it was not a District game. Greif and Rebold each passed for a T.D. Kleinert, Ealey, Thompson, and Rutledge each ran for a touchdown.

ANDERSON ... The Anderson Yellowjackets, newcomers to District 13AAAA, were soundly defeated with a score of 41-14. The Raiders scored two touchdowns in the first half, both made by Kleinert. The score remained 41-7 until after the clock ran out, when an Anderson player ran the ball back 100 yards to make the score 41-14.

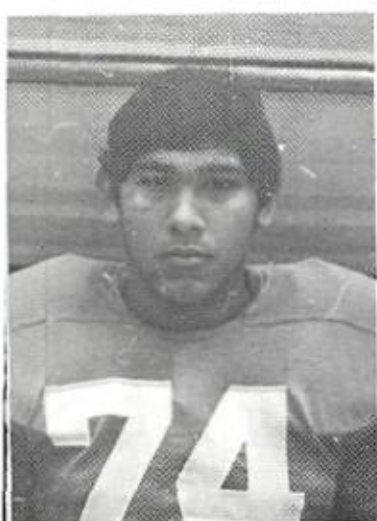

KILLEEN ... The second District 13AAAA game for the Raiders was against the Killeen Kangaroos, in Killeen. The 'Roos were defeated by a score of 28-15. The 'Roos came on strong early in the first half by scoring in 14 plays after receiving Thompson's kickoff. The Raiders then took control of the ball, and the Kangaroos made one final score in the fourth quarter to make the score 28-15.

REAGAN PLAYERS BURST through the run-through sign before their game with the Alice Coyotes.

THE FINAL SCOREBOARD OF "14-18" shows how Reagan knocked the Maroons out of the District race.

TRAVIS ... One of the many sweet victories for the Raiders was the 48-14 trouncing of the Rebels. The Raiders were determined not to let the Rebels defeat them again this year. Although the Raiders played the Rebels on the traditionally unlucky Friday the 13th, the Reagan spirit overcame all.

JOHNSTON ... Reagan shut out the Johnston Rams with a 32-0 victory. Johnny Kleinert scored the first two Raider touchdowns, while Mike Bayer, John Keel, and Jesse Thompson tallied the scores in the second half of the game. The Raiders' seasonal record to this point was 6-0.

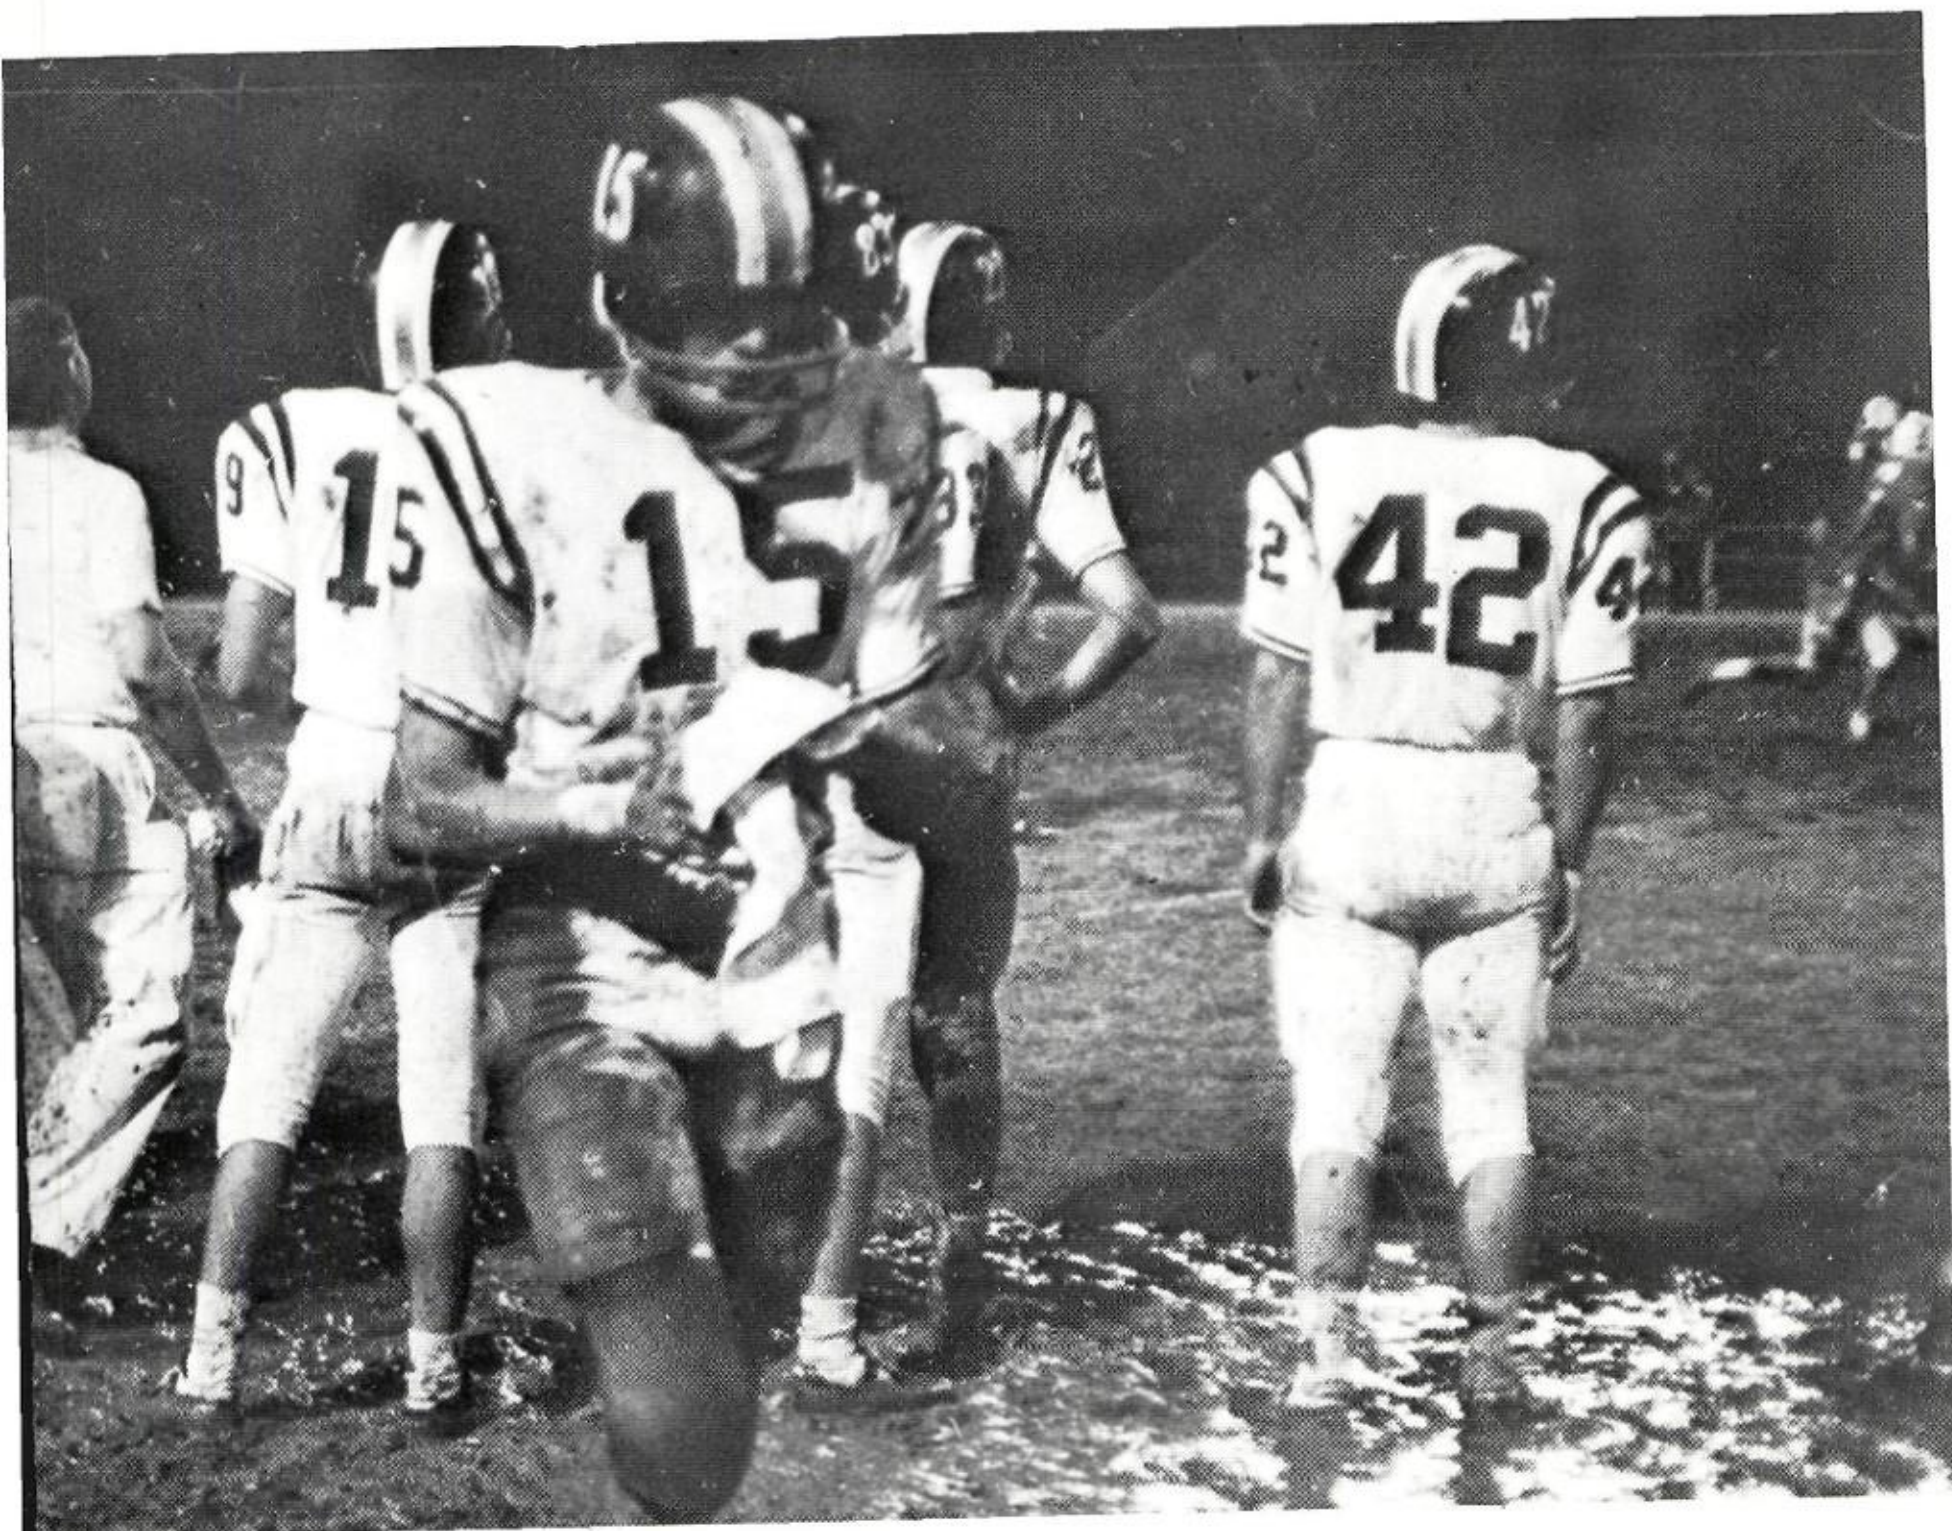

AUSTIN ... The sweetest victory for the Reagan team was the 18-14 massacre of the Austin High Maroons. The highly rated Maroons were all set to beat the Raiders for the second year in a row, but the Reagan Raiders were not to be defeated. Reagan proved that statistics don't count.

LANIER ... The winless Lanier Vikings were skunked by the Raiders, 21-0. Dale Rebold scored the first touchdown for the Raiders on a 50-yard punt return. Thompson scored the extra point. The second T.D. was made by fullback Howard Shaw on a 3-yard run, with Thompson kicking for the extra point. The final score was made on a 9-yard run.

MCCALLUM ... The age-old game of football was played in a "sea of mud" when Reagan met McCallum. The South Zone title went to the Raiders as they defeated the McCallum Knights with a score of 35-0. Due to the rivalry which had grown up between Reagan and McCallum because of the Knights' victory last year, the win was more rewarding.

TEMPLE ... The playoff for the 13AAAA District Title was staged at Nelson Field between the Reagan Raiders and the Temple Wildcats. The Raiders defeated the Wildcats with a score of 27-7. Reagan showed its dislike at being behind when they drove from one end of the field to the other for a touchdown in the last 30 seconds of the first half.

ALICE ... Although the Alice Coyotes were rated among the top teams, the Raiders edged by them with a score of 7-0. The defeat of the Coyotes marked the winning of the Bi-District title for the Raiders. The game was scoreless until the third quarter, when Don Ealey broke loose and ran 75 yards for the winning touchdown.

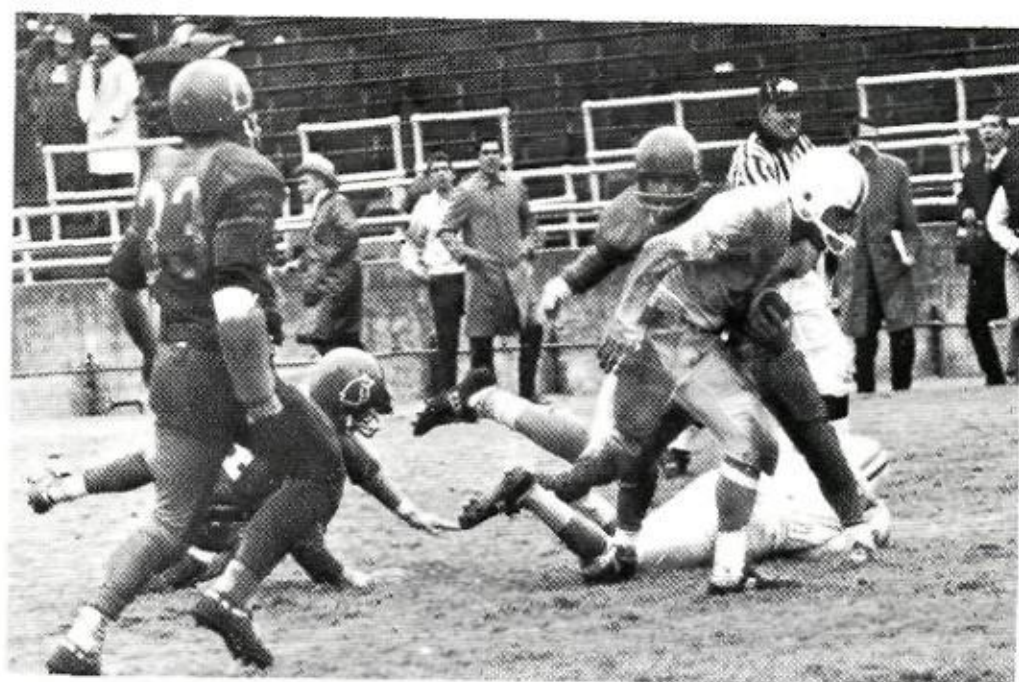

BRACKENRIDGE ... The next step up the ladder to State Championship was the quarterfinal game between the Raiders and the Brackenridge Eagles. The Eagles proved to be no threat to the Raiders. Reagan took the Eagles by an overwhelming score of 20-0. The Raiders then had a 12-0 record.

BELLAIRE ... The last game before the State game was the Semi-Final game against the Bellaire Cardinals. The game was played at Austin's Memorial Stadium. The Cardinals fell to the Raiders by a score of 40-6. The Raiders were the first Austin team to play in the Semi-Finals since 1950, when the Austin Maroons played.

Although Cooper was chosen to win the game by 18 points, Reagan High School won the Texas State Championship Title for 1967. The No. 1 rated Cougars fell to the victorious Raiders by a breathtaking score of 20-19. Thousands of Raider fans endured the near-freezing temperature and the drizzling rain to watch a game which can be called the greatest in Raider history. At half time, the Raiders trailed by a margin of 19-7, and it looked as if all the predictions were going to come true. In the second half, the Raiders scored two touchdowns to make the score 20-19. The Cougars were on the 1-yard line on the final play of the game, but the mighty Raiders gathered all strength and held the Cougars. The final score . . . 20-19.

Wins 5 of 8

The 1967 Raider B-team, led by co-captains Jimmy Williams, Emory Bellard, and Jerry Johnson, finished third in the district with 5 wins and 3 losses. The B-team was victorious over Lanier (2), MacCallum, Johnston, and Anderson. Offensive standouts for the team were Gene Sanders and Lester Ealey. Hap Fuerbacher, Jerry Johnson, Preston Matthews, Tim Harkins, and James Hendricks were outstanding on defense. When asked about the boys on the B-team squad, Coaches Pat Pennington and Wally Freytag remarked. "This is as fine a bunch of hitters as we have had at Reagan." According to the coaches, almost all of the team is expected to move up to the varsity team for the 1968 season.

According to Coach Dan Schroeder, the team started slow, but came on real well as the season progressed. On offense, Ralph, Doug Rosson and Bill Ormand were outstanding. Reagan Fares Well in Basketball . . .

THE RAIDER DEFENSE shows its excellence.

Although the 1968 Raider Basketball team did not do as well as was wished, the team did a great job for Reagan. In all of the games this season, the Raiders fell short of winning most of their games by only a matter of a few points. Coach Delbert Moberg did a fine job of coaching for the Raiders this season, as he has done for the past three years. Out of a total of 25 games, the Raiders managed to win 9 and lose 16.

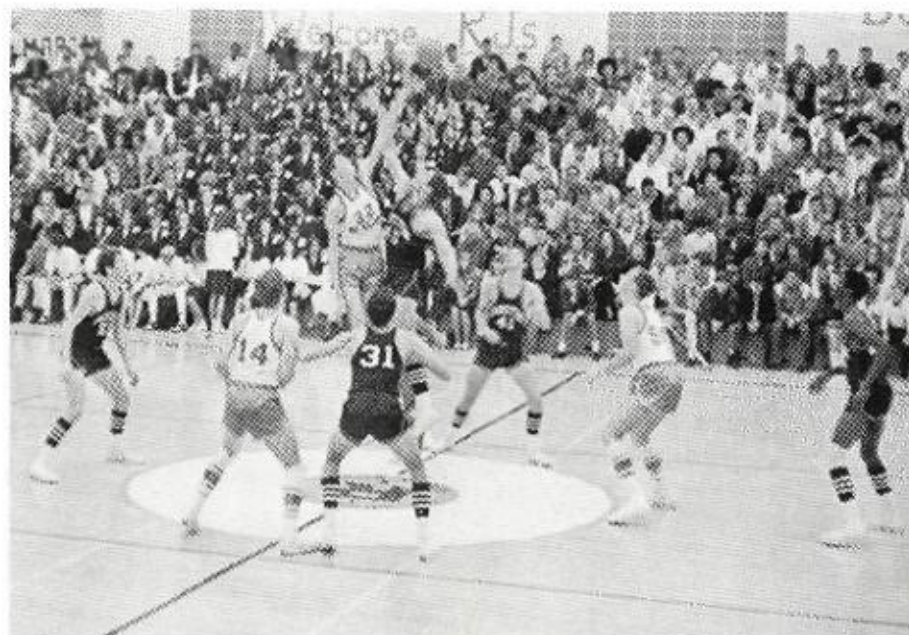

Standout players for the Raiders include Jack Louis, Alan Moore, Dale Rebold, Matt Carroll and Bill Greif. Louis finished tenth in district scoring.

The basketball team was hindered by the length of the football season. Several players, such as Dale Rebold, Bill Greif, Mike Bayer and Gary Morrison, had to start late because of football.

The Raiders are losing six players to graduation. They are Dale Rebold, Bill Greif, Dick Montgomery, Chick Drews, Buddy Dryden and Mike Hernandez.

ALAN MOORE DOES his best to keep Knights from scoring.

Third row from left, Gary Grimes, Bill Kirk, Bob Robertson.

PREPARING TO SHOOT a basket is Randy Walker, a promise for the '69 varsity team.

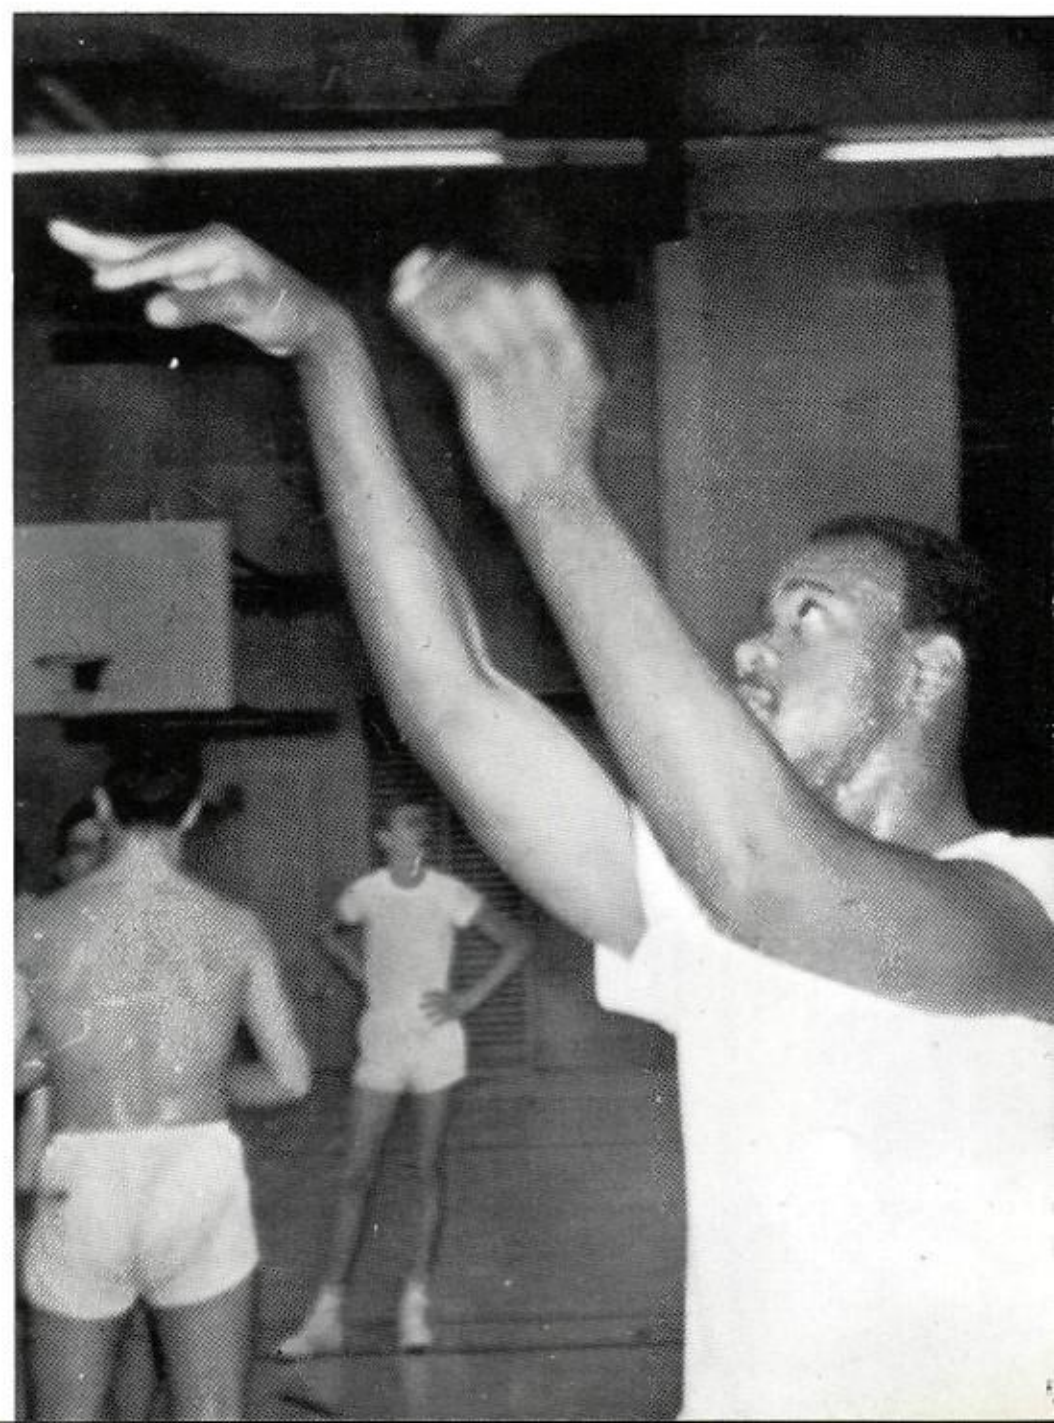

The Raider B-Team Basketball players had a fine season. One of the best games for the Raiders, according to Coach Pat Pennington, was against MacCallum; the Raiders won 33-23.

The team played to its capability against every opponent. Through conscientious practice, they continually improved.

Leading scorers for the team were Gary Grimes, Bob Robertson, Randy Walker, Dan Thompson, Donald Ealey, Curtis Locklear, Robert Miller, Reese Smiril, Gary Greif and Robert Miller.

Coach for the B-Team was Pat Pennington and Gary Brown served as manager.

DONALD EALEY PROVED to be a valuable player, even though the extended football season kept him from playing in the early games.

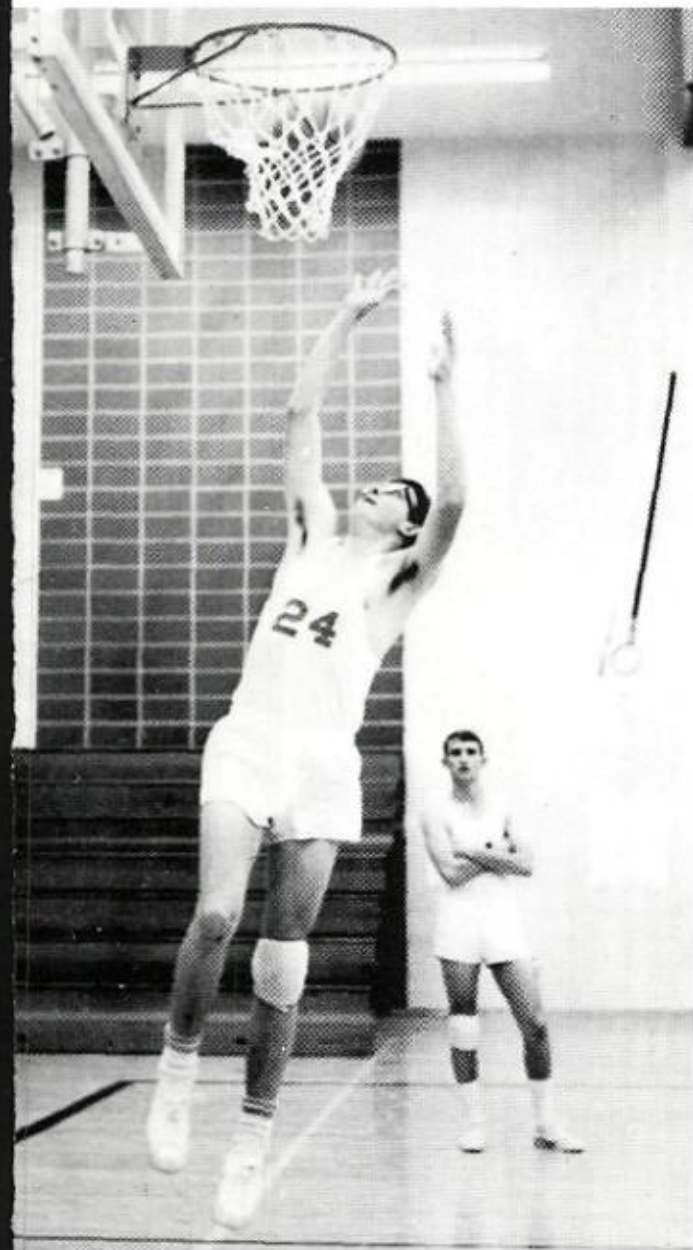

Freshman Basketball Team Closes With Third Place City Title

Reagan's 1968 Freshman Basketball Team closed out the season with a third place city title. Wins in district games included the games with Lanier, 64-43; Porter, 67-33; and O. Henry, 56-49. Other wins in practice games included those over Porter, 62-33; Lanier, 63-32; and Lamar Junior High, 64-32.

According to Coach Danny Schroeder, the team played good basketball throughout the season, but they lacked depth. One setback in the season to the Raiders was the rule stating that two separate squads must be played by each team in an equal amount of time.

Some of the top players for the freshman Raiders were Johnny Robinson, Geary Louis, and Mike Foster. Manager for the team was Tommy Touchett.

NEW TO REAGAN THIS YEAR was freshman coach, Danny Schroeder. Besides coaching basketball, he also coached the freshman football squad.

Cross Country Work-Outs Begin Early in Year

For ones not involved in football or basketball, track began quite early in the year with work-outs. After mid-term practice sessions became more regular with tracksters "sprinting the loop," pole vaulting, high jumping, hurdling, shot putting and throwing the discus. At regular spring track meets, the events which Reagan entered were the dashes—880 yard, 440 yard, 100 yard; the relays—mile, 880 yard, 440 yard; the mile run the hurdles, the pole vault, and the shotput-discus.

A first for the track team was the employment of two coaches—Glen Swenson and Wallace Freytag. This allowed each coach more time to devote to players and special events.

ADMINISTRATION

School Board Serves As Policy Determiner

Dr. Irby Carruth has been the Superintendent of the Austin Independent School District since 1950. His office is the "front" office for the school system. As superintendent, Dr. Carruth is an executive on the Board of Education. The School Board is composed of seven members other than Dr. Carruth and each member is elected for a six-year term. Their main duties are to review school policies, changing outdated ones and initiating new ones whenever the need becomes apparent.
